WORDS: RORY BUCKERIDGE PHOTOS: SPLASHNEWS.COM, WENN

➔ **ONE PEEK** at these scintillating shots and you can see that Gemma's been hitting the gym like a gloopy, protein shake-glugging dervish! Ms Atkinson's currently the face (and impressive six-pack) of the USA Pro fitness brand, see, so she's exercising six times a week and scoffing rabbit food!

Still, she found time off to swap sweats for a floral swimsuit to hit the pool for a few quick lengths, or 200!

The PS4 drops!

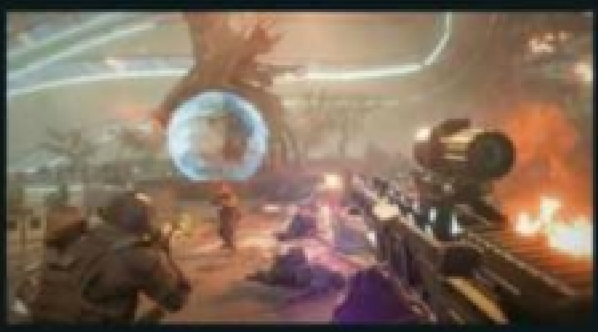
Xbox One out last week? PS4 out this? Games fight!

WORDS: RORY BUCKERIDGE

WHAT A couple of gaming weeks! Last Friday saw the Xbox One slam into stores and this week sees the PS4 drop, for £80 less monies! Sony's £350 box is a wonder of design and function and the all-new controller is a revelation compared to the hoary, old DualShock. You want one, right? Good decision! Here's why...

THE CONTROLLER
The DualShock 4 is vastly improved. There's a touchpad on the front, a built-in speaker and headphone jack, and a front-mounted light bar can be picked up by a camera to turn it into a Wii-like motion sensor.

The games!



KILLZONE: SHADOW FALL

Future-brrraping against the evil Helghast on Planet Vekta. The story's poo pants, but one look and you can see the step change in game graphics. **The next gen difference:** This is the prettiest console shooter of all time. No question. **Score:** ★★★★

KNACK

Cute, wee creature duffs up goblins, jumps over stuff, solves puzzles, runs about a bit in a game for youngsters. **The next gen difference:** Main man Knack is made of thousands of individually rendered pieces. Squint and you can see it! **Score:** ★★★

CALL OF DUTY: GHOSTS

This *CoD* features a war against Mexico, a double-hard dog, dust-ups in space and the usual exemplary online dying. **The next gen difference:** Astonishing good looks. It was developed natively on next gen, then ported back to PS3 and Xbox 360. **Score:** ★★★★★

FIFA 14

The football boss enters the Premier League of shininess! This is a whole new game, not a polished up last gen effort. **The next gen difference:** Everything's been upgraded from graphics, footballer AI and animations in an Özil-worthy upgrade. **Score:** ★★★★★

PlayStation piled in to break up the fight

THE HARDWARE
The chips, fan and processors all live inside this handsome box. And in firepower alone, it slaps the Xbox One. All updates are done in the background and it also packs a 500GB hard drive, Wi-Fi and Blu-ray player.

THE CAMERA
With two 1,280 x 800 resolution cameras, four mics and an 85-degree field of view it isn't as sensitive as the One's Kinect, but does motion-sensing gaming fine, and you can sign into your box and profile with just your face!

PS4 facts!

1 NOISE THROUGH CONTROLLER! Plug headphones into the DualShock and you can stream game audio through the controller.

2 PS VITA REMOTE PLAY! Link a PS Vita handheld and you can stream full games to your Vita to play. Or connect to a Wi-Fi hotspot and you can remote play anywhere in the world.

3 SHARE EPIC MOMENTS! It records the last 15 minutes of your gameplay to share, or live broadcast online.

4 WHY IT'S A PARALLELOGRAM! The front is angled upwards, to find the "on" and "eject" buttons more easily, and the back slopes down, to help hide cables. Clever.

5 YOU CAN HAVE BFFS! There are two levels of friends – regular and bromances! Regular friends display as their gamer handles, real chums have real names.

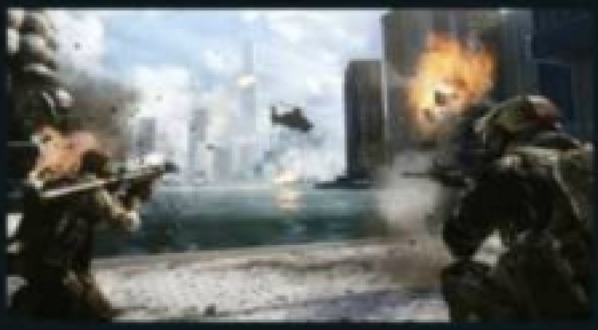
6 AN APP! A PlayStation app means you can use your phone/tablet as a second screen, message chums.

7 DOWNLOAD & PLAY! Download a game and it'll let you start playing almost immediately. And if a game has single and multiplayer, it'll ask your preference and prioritise.

8 APP TAPS! Double tap the PlayStation button and it flips between your game and the last app.

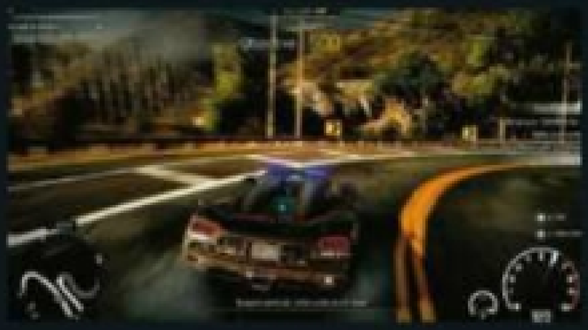
ASSASSIN'S CREED IV

One of our games of the year sees the franchise go piratey, as you kill people in towns with blades and on the sea with cannonballs. Arrr!
The next gen difference: Just a bit of spit and polish on the graphics, sadly. It just looks nicer. **Score:** ★★★★★



BATTLEFIELD 4

The thinking man's alternative to *CoD*. The campaign's flimsy and throwaway, multiplay will hook you like krokodil.
The next gen difference: 64 players online has "challenged" 360/PS3. This is as smooth as Timberlake and the best way to play *Battlefield*. **Score:** ★★★★



NEED FOR SPEED: RIVALS

Hypercar-thrashing pandemonium, playing this time as both street racer and Pagani-doughnutting cop.
The next gen difference: Vastly uprated graphics obvious in cars, crashes and impossible weather touches like lightning strikes. Pretty. **Score:** ★★★★

Verdict

The PS4 is smaller, more powerful, prettier and cheaper than the Xbox One. But the launch games are a smidge less good. But with beautiful *Killzone* and the best *Battlefield* and *CoD* experience, if you've got £350, this is the console for you right now.

New Jack Dee gags!

Crack a smile with the sarcastic sourpuss!

PHOTOS: REX FEATURES, WENN

On reading!

"I threw my Kindle away. Well, I'd read it. I'm old fashioned. For me, the real joy is books. Nothing can replace the joy of getting to the end, tearing out the last five pages, and taking it to the charity shop."

On booze!

"I've had my run-in with booze. It's well documented. What I can say from experience is that it takes a lot of guts, perseverance and courage to stop drinking. Which is why I haven't."

"Alcohol is God's way of saying, 'I'm sorry. I know things are rough sometimes, so I got this for you. It's a little extra, it comes in lots of different flavours. Find one you like, it makes life bearable.'"

On directions!

"I was in Leicester Square, and this Japanese family who were lost looked up from their map and approached me. I took pride that they chose me out of everyone in Leicester Square. I was glad they identified me as the friendly face of London."

"If I'm asking directions, I work on three goes and you're out. I asked a guy the way to the theatre. 'What? The theatre? What road is it on?' 'I'm not even going to answer that,' I say. 'You've had three goes, it's quite obvious you don't know where it is.' He didn't have the integrity to say, 'Don't ask me. I know nothing at all.' He tried to hook me into a conversation by asking spurious questions. He tried to suck me into his vortex of loneliness and despair. 'In fact, you know what mate? Why don't you just f**k the f**k off out of my life? Officer.'"

On heavy metal!

"When I was 14, I was really into this band called Judas Priest. They got into trouble about subliminal messages. Everyone said that if you listened to one of their tracks backwards, you could hear the words, 'Worship the devil.' I must have been listening to the wrong track. The one I was listening to said, 'Stay in your room and w*nk a lot.'"

On plasterers!

"We're having some work done in my house by a plasterer. I said, 'How's work going?' He said, 'It's drying up.'"

On Europeans!

"I was sweating like a Cypriot at an ATM."

"It was one of the worst things I've done since I told a French tourist that taxi drivers expect you to haggle."

On growing up!

"Even I went though a period in my life when I was quite morose. But the important thing is, you come through."

"I screwed up my A-Levels and didn't get into university. Well, I say screwed up. Technically, they came back ungraded. So basically, we'll never know. I wrote to the examining board. 'If you can't be bothered to grade them, I can't be bothered to go to university.'"

On rubbish!

"I'm not much of a hoarder. I go to the tip on a regular basis. I like going to the tip, but I've recently noticed an attitude problem with the people who work there. They are in the business of rubbish, I am bringing them rubbish, but I'm not hearing the thank you. Is that too much to ask?"

On shopping!

"Recently, I've developed a dilemma on whether to put things I don't want back in their proper places. Do you take the item back from whence it came? Or do you ditch it? Bag of frozen prawns – do I want them? Am I going to take them all the way back to the frozen counter? I'll be home and dry before that kicks off. 'What the hell's that smell?'"

On his teenage kids!

"I've heard that this generation of teenagers are going to be the first in history to be poorer than their parents. I find that hugely comforting."

"We went to a wedding and I saw my 14-year-old son with a pint of beer in his hand. There were a lot of people around so I had to have a quiet word. I said, 'What are you doing? Beer? You're meant to be driving us back.'"

"I took my daughter out for a driving lesson. We went to Tesco car park for half an hour of kangaroo starts, wrong gears, reversing instead of going forward and scratching one or two cars. Then she had a go."

On racism!

"I'm not a racist. You know that about me. I've never owned a bed and breakfast, how can I be? I'm not a taxi driver. I don't know why they think because they're in charge of the vehicle, they can extol their values on you. You wouldn't put up with it in any other form of transport. 'Hello, ladies and gentlemen, this is your first officer speaking. We're cruising at 30,000ft and we're just crossing the west coast of Africa. You can't spot a white man down there."

On Jesus!

"We know about Jesus as a baby in the Bible. We know about him as an adult in the Bible. There's a bit missing in the middle. There's no *Book Of Acne*."

On the BBC!

"A few years ago, I was hanging around a school playground. How sad that I have to qualify that remark – I was waiting to pick my kids up from school. Yes, I work for the BBC, but I left the building straight away. It's a sad time for showbiz. Still, on the plus side, it's at least 30 years until I get arrested."

On camera phones!

"Nowadays you have to be really careful. One minute, you can be innocently swinging a shirt around to *Hi Ho Silver Lining* having a great time. The next, you're an international YouTube tw*t captioned, 'Look at this drunken idiot at a funeral.'"

Queen of the jungle!

It's *I'm A Celeb*'s Amy Willerton, in her work clothes!

TWO WEEKS ago, we'd have struggled to pick Amy Willerton out of a line-up. Yes, she'd won a model search competition somewhere in the wilds of cable TV. Yes, she'd pluckily come sixth in Miss Universe. But it was only when she bowled into the *I'm A Celebrity* camp and decided that, essentially, she'd do the show mostly in a bikini, that her stock rose to household name/nation's sweetheart proportions.

Chaps – to the phones! Voting this lovely lady out would be a tragedy, not to mention unpatriotic!

Fast & Furious 7 first look!

Behind-the-scenes snaps of the next car classic!

FAST & *Furious 6* cost a spit off £100m to make, and raked in £486m globally at the box office. So a *Fast 7* movie was more inevitable than a gratuitous *I'm A Celeb* shower scene.

The next instalment in the series – currently being filmed in Atlanta, Georgia – has upped the ante somewhat, tapping up Jason Statham for scowling baddie duties. Out in July next year, it will push the franchise further up in the billion dollar movies list, alongside the likes of Bond, Harry Potter and those expensive chaps.

Not bad for a silly movie about men in too-tight vests driving cars and punching each other!

Doc probes fake bum!

Ouch! It's a prostate inspection sim!

GENTS, MEET "Patrick", a virtual human patient whose only job is to have student doctors put their fingers up his bum and rummage around his prostate.

The brainchild of a University of Florida doc, Patrick has his prostrate inspected and talks, expressing concerns – no kidding! – while sensors feed back what their fingers are doing so the students can hone both interpersonal skills and prostate-poking prowess. Without making a real man cry like a newborn.

Patrick facts!

- **Sensors give feedback on coverage of the prostate and level of pressure being applied.**
- To use the sim properly, students must allay Patrick's fears and give feedback at the end.
- **Researchers have experimented using the Xbox 360's Kinect sensor, and the Xbox One or PS4 can be used for future simulators.**
- Haptic feedback from the prosthetic tells the sim if too much pressure is being applied, and Patrick then expresses the pain he's feeling. We hear you, Patrick!

Mercedes' *Gran Turismo 6* concept!

Germans create a stunning new car for you to drive – but only on PlayStation!

- **This is what happens when Mercedes bosses tell their mammoth design team to build something a bit "out there" for a new video game. And this isn't just any old video game. This is the most influential car simulator in console history, so you'll be able to sit at home in your undercrackers and drive it. You just can't buy it. Yet...**
- This astonishing coupé is the result of inspiration from the iconic '50s 300SL model and could point towards what the next-generation SLS AMG super sportscar will look like.
- **The first thing that hits you about the AMG Vision Gran Turismo is that retro racecar-style wide-mouthed front air intake. Inside that is a "pin cushion" radiator grille with a three-pointed Benz badge of dinner-plate proportions.**
- Wheel arches bulge like biceps that've seen a fair few jars of Maximuscle, and the sill skirts flare wildly proud of the side

"I'm not crying, there's just light in my eyes"

VIRTUAL CAR!

panels. The doors are gull-winged and roof-hinged.

- **Look below the Merc's rear wing and you're greeted with a tapered back end, where lights are packaged in what looks like a smiling mouth of chrome teeth.**
- The car doesn't have a back window. There's a pair of fuel fillers on the roof (presumably to feed twin petrol tanks) and a surfboard-shaped rear wing that electronically rises up from the deck.
- **Although no details have been released about what size engine the concept is running, we know it uses a V8 twin-turbo lump capable of 577bhp and 590lb-ft. Thanks to a relatively low kerb weight, there's a power-to-weight ratio of 417bhp per tonne and a set of carbon ceramic brakes. We reckon that'll make 62mph pass in 3.4 seconds, to a top end of around 210 pretend miles per hour!**
- Inside, the speedo, rev counter and temp gauges are mounted in a floating glass console in the driver's eyeline.
- **There is no official word on whether planet Earth will see a Mercedes of this calibre go into production, but *Nuts* has a strong sense we'll see a lot of its design features head towards dealerships with the next-gen SLS. And brilliantly, this is available for £40, on PS3, on 6 December.**

EXCLUSIVE!

A quick word with Ken Jeong!

It's the real-life mental Mr Chow from *The Hangover Part III*!

"I've been kidnapped! Help me! Call the police!"

> **"People shout Chow quotes at me in the street!"**
> Ken Jeong

Hi Ken! We love Leslie Chow. How much of him is you?
The only things I have in common with Mr Chow are that I do like to laugh, I like excitement and I love life. I don't get naked that much though! I'm shy when I'm on the beach. I don't even like to take off my shirt.

Has your *Hangover* fame changed your everyday life?
People are always shouting Chow lines at me. I was at an ATM near where I live and a middle-aged man in a convertible shouted, "Toodle-oo, motherf**ker!" I laughed my ass off!

What does Chow get up to in *Part III*?
Chow just loves mayhem. He's the best character I've ever played because I get so much freedom with him. In this film, he breaks out of prison and he's much darker – when he reunites with Alan, he really takes advantage of him and his blind loyalty.

How much of Chow developed through improvisation on set?
In the first movie, everyone was startled. I remember when we were shooting in the desert and I went on this crazy ten-minute ad lib. Most of it was unusable – I was cursing too much – but they just let the cameras roll and I was saying all these nasty, horrible things to the guys. But when the director yelled, "Cut!" I was back to my quiet self, almost like a split personality!

You're still a registered doctor... Is laughter the best medicine?
That's an old joke... Medicine is the best medicine! None of my patients knew I did stand-up comedy on the side. If anything, I was even more self-conscious about being professional. I was a legitimate doctor and good at what I did, always went the extra mile. That's no different to how I am with my acting – I have exactly the same work ethic.

Do you worry about being typecast?
Even if I'm offered the part of a wacky or crazy character, it's the responsibility of the actor to tweak and finesse that. On the TV show *Community*, I've played a professor, student and security guard and now this season, I have amnesia. None of those resemble Chow in any way, but it's distinctly me and it's been so much fun year after year to play different characters and become a much better actor as a result.

What advice would Chow have for young guys om following their dreams?
Chow's advice would be just follow your heart – no matter how dark it is!

And what's Ken's advice?
Follow your heart – no matter how bright it is!

Will Chow return in a *Hangover Part IV* or his own spin-off?
I would do anything for the *Hangover* franchise. I would love to do more Chow but we definitely ended *The Hangover* as we know it with *Part III*. While we were filming, we knew it would be the last one. If it wasn't for *The Hangover*, I wouldn't be here talking to you. Every bit of success I've had over the last four years I owe to *The Hangover*.

Thanks, Ken! Finally, where do you see Chow now?
I think he's still out there somewhere, stabbing the world and causing chaos!

Hi Melvin! How do you throw a WKD party?
You need good music, a cool venue, hot girls... then you need to invite some girls and it's a good idea to have some girls. Did I mention hot girls?

How do you plan to win the SoundClash?
By taking people on a journey – a build-up of anthems and classics, and if that fails I'll just hide Lauren's music.

Do you have any killer tactics to beat Lauren?
Just to get the ladies on side. Once you have them on the dancefloor, the guys will follow. It's simple DJ science!

What's your ideal playlist?
You take some Jay-Z, gently whisk it up with some Tinie Tempah, then, once that's nicely put together add some Rihanna, a spoonful of Kanye West for flavour and maybe a sprinkle of Usher. Then to add some contrast, it's always nice to stir some Calvin Harris into the mix.

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

KEEP UP WITH DANNI ON THE NET!

'Am I rubbish in bed?'

I've been with my girlfriend for five years but we don't have sex all that often. I don't mind that, and she's always said it doesn't bother her, but the other day I caught her masturbating when she thought I was in the shower. Now I'm worried that the only reason we don't have sex is because I can't satisfy her. What should I do?

ROSS Northumbria

Calm down. You can't tell me you haven't masturbated in five years. Remember the old days. Going down on her when she sat on top of the washing machine? Bending her over through the bedroom window while she spied on next door's gardener? Use those memories to tell each other stories then see where it leads. You're probably fine in bed as well!

LETTER OF THE WEEK!

'Rude pressie ponder'

This year, I want to get my missus a really rude Christmas present that will drive her wild in the bedroom, but I don't want it to freak her out. We have a pretty standard sex life, so it shouldn't be too full-on. Do you have any recommendations or websites I should check out?

ANON via email

No sex life should be standard. Buy a gag and handcuffs that you can use on each other. At first sight, objects such as these can look pretty hardcore, but there's so much potential for romance. Reassure her and kiss her neck, nibble her nipples, suck her clit and pinch her inner thighs. Do this with slow control and she'll be like putty in your hands. No doubt she'll want to reverse the situation on you afterwards!

'Is her pleasure genuine?'

Is there any way of telling if a lady's faking an orgasm? The girl I've been seeing makes all the right noises, but the rest of her body doesn't seem to react. What are the signs I should be looking out for?

RICK Oxford

Firstly, some women find it hard to orgasm so don't make a big deal of it with her. When inside her, near the point of climax, it'll feel like all the walls around you are clamping down. And never stop until she tells you to. We can have multiple orgasms, you know!

- If you've got something to ask Danni, just email her at theleshian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p66.

Hospital food!

A MAN returns from holiday feeling ill. He goes to see his doctor, and is immediately rushed to the hospital for tests. He wakes up in a private room at the hospital, and the phone by his bed rings.

"This is your doctor. We've found you have a very nasty STD called GASH. It's a combination of Gonorrhoea, AIDS, Syphilis, and Herpes!"

"Oh no!" says the man, extremely worried.

"We're going to put you in isolation," says the doc, "and feed you pizzas and pancakes."

"OK," says the man, hopefully, "will it cure me?" "No," says the doctor, "But it's the only food we can slip under the door."

PAUL CHOWDHRY Vs the *Nuts* Question Bucket!

The new Stand Up For The Week host in a delightfully daft *Nuts* probing!

THE RULES are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

You're the face of *Stand Up For The Week*. Would stand-up comedy be easier if you were allowed to sit down?
Some people use a stool. I just stand there. I may as well be sitting down. I'm pretty laid-back. If you're talking to a crowd like you're talking to a friend, you don't have to be running up and down like a mad man.

You're replacing Jon Richardson as the host – got any good dirt on him?
I'm just glad they got rid of the guy. He wasn't playing ball. No, Richardson is a good friend of mine. He's a bit OCD, but most comics are. We all have issues.

Does the new talent on *Stand Up For The Week* scare you?
It petrifies me. But stand-up literally takes years. People go, "Oh, there's this new guy." It's reassuring to know that these new guys have only got ten minutes of material. You can't release a DVD with only ten minutes of material.

Are you disappointed that your Wikipedia entry is only three lines whereas, say, Jimmy Carr's goes on for seven pages?
I'd better add to it. That's the story of my life – three lines long. Jimmy Carr's is probably seven pages because he wrote it.

What's it like backstage at Channel 4's *Comedy Gala*? How do so many egos fit into one room?
I've done it twice now. You've got Russell Brand, McIntyre, Lee Evans, and I was on at the end so I had to follow all these people, as if they were supporting me. So I had to inflate my ego to be able to pull it off.

When you do charity gigs, are you tempted to make it less funny 'cos you're not getting paid?
Yeah, I stop trying. When I'm in front of 20,000 people at the O2 Arena, I just wing it. I don't try, that's my style. Sometimes I just go out there and don't say anything and I can still rip it. I don't even have to open my mouth, that's how great I am. [*We think he's being sarcastic here – Ed*]

Approximately a million people watched your *What's Happening White People?* tour on Channel 4 this September. Did you tune in with a mug of tea?
No, I didn't. I'm in it, so I've seen it. When I film myself in a porno, I don't watch it back!

Do you get comedy groupies?
Yes. They're mainly dudes though, so if I swung that way, I'd be all right. They just want to hang out. They say, "Can we go for coffee?" For what? What are we going to talk about? You haven't got jugs or anything!

You were on *Celebrity Deal Or No Deal*. Is the Banker as a big a nobhead as Noel makes out?
Ha! I always thought there was no one on the end of the phone but this middle-class white guy answered and went, [does impression] "Oh, hi there, Paul, this is the banker." Then Noel Edmonds said, "Have you ever opened a box and didn't know what was inside it?" I said, "Yes, once, and they closed the airport."

Who's your biggest fan?
Actually, I didn't realise, but Noel Edmonds is a fan of mine. He asked Jonathan Ross what box to open next and said, "I think you should go to the best comedian I've seen in the past few years", and turned to me. I couldn't believe it! ▶

The toilet facilities were poor at best

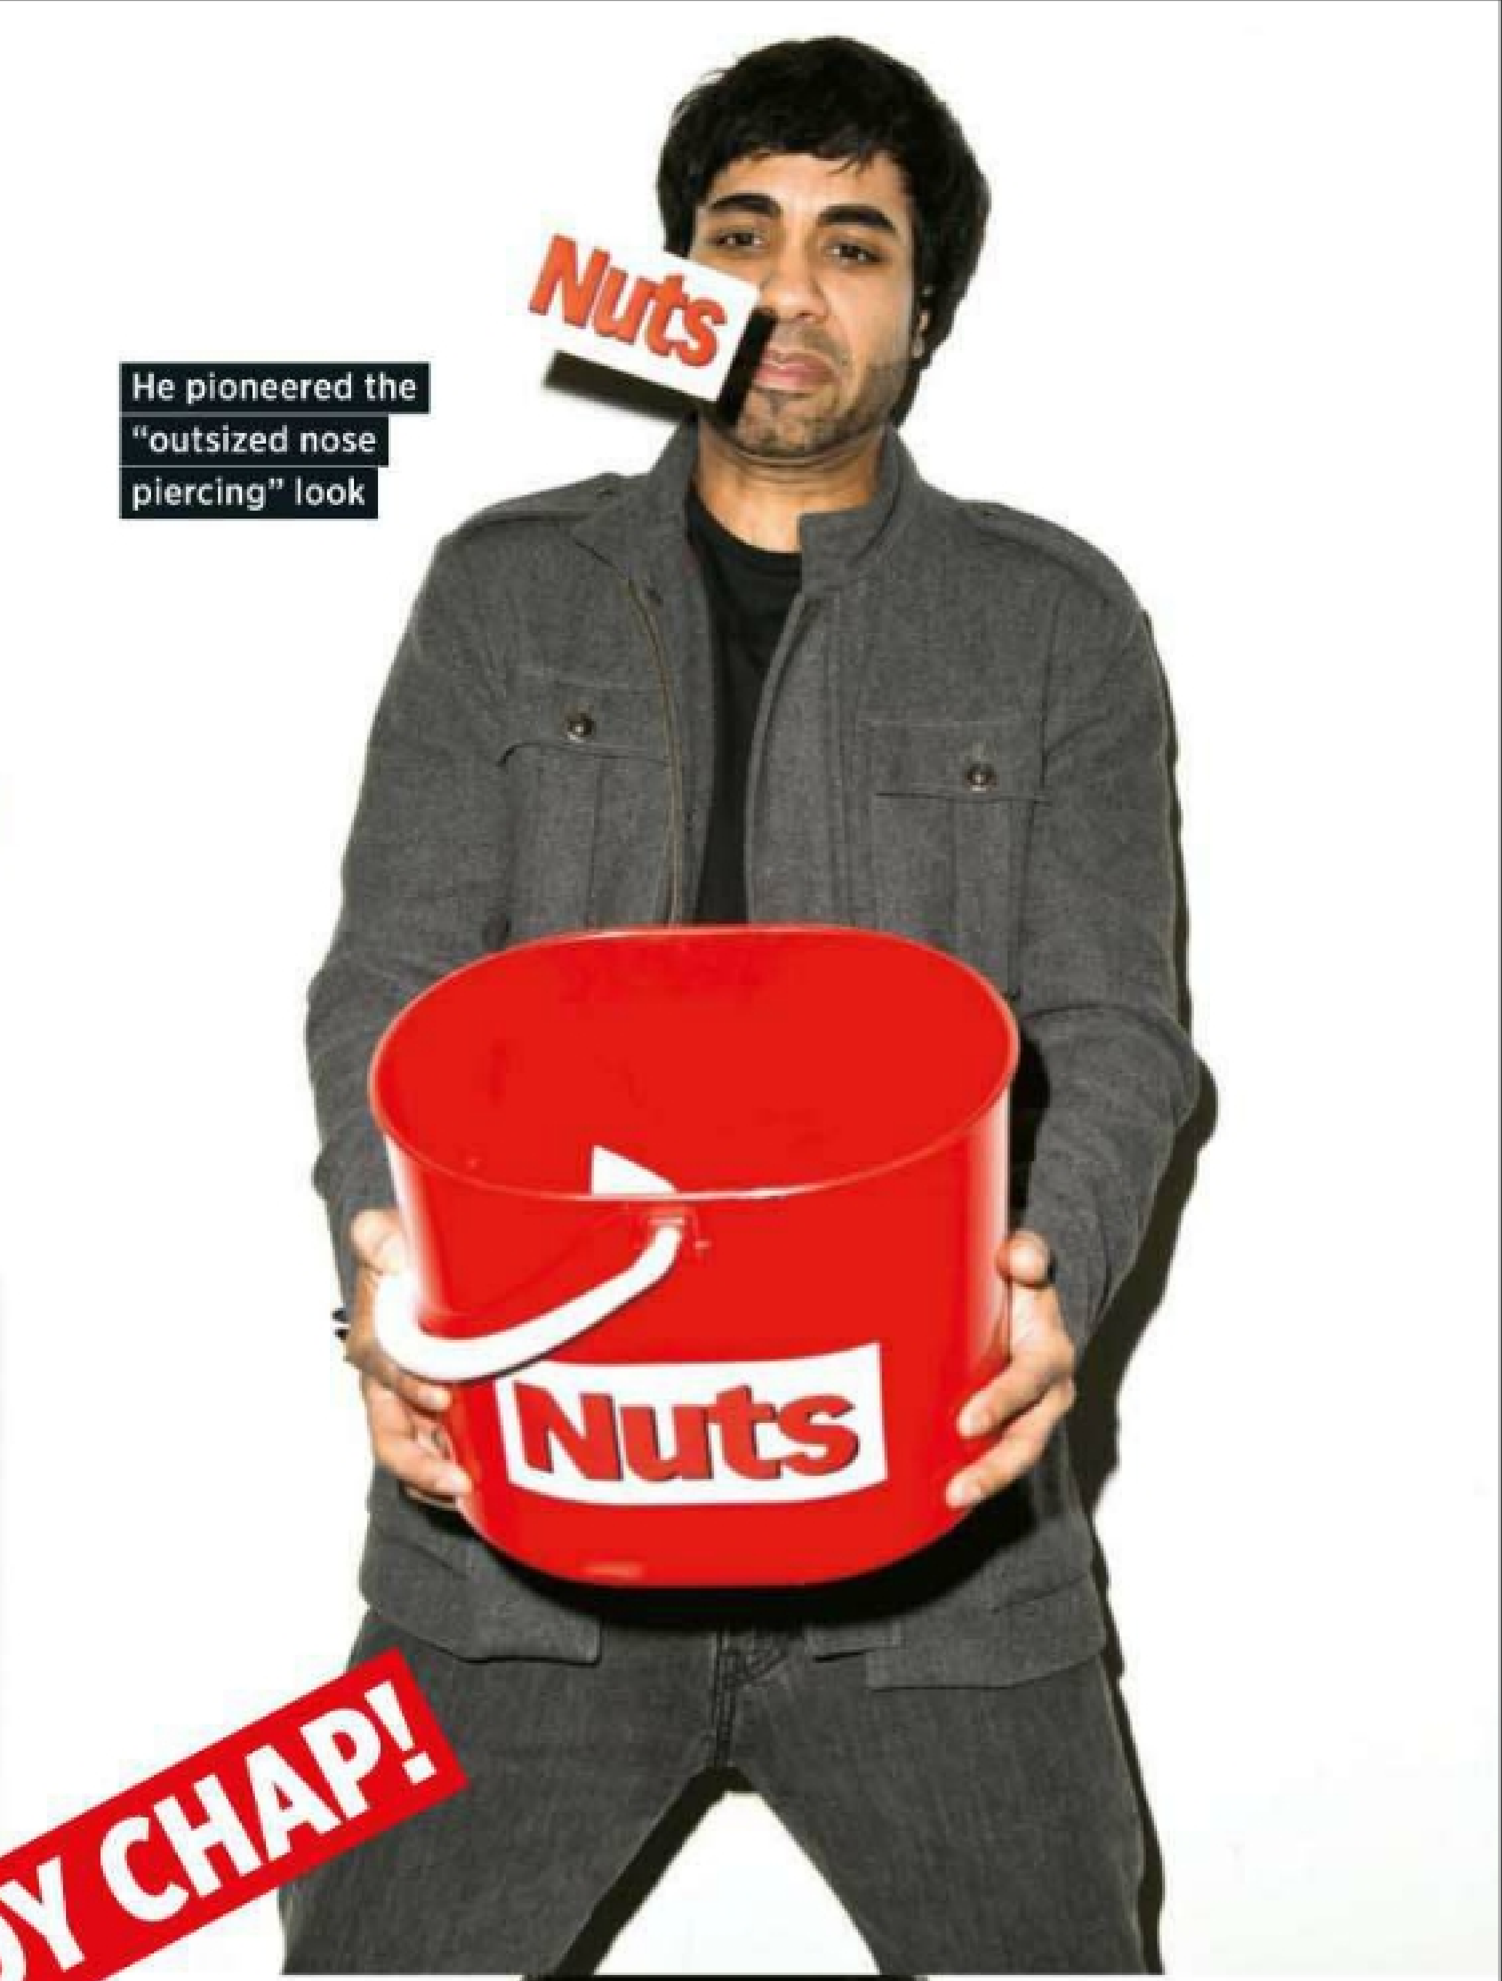
"Why doesn't anyone want to seemy nuts?"

WORDS: RICH PELLEY PHOTOS: COLIN WILLIAMS

"This tub of Celebrations isn't up to much"

What do people shout at you in the street?
"B*stard!" because I say it a lot in my act. The problem when that's your catchphrase is that people just open the window and shout "B*stard!" at you!

He pioneered the "outsized nose piercing" look



COMEDY CHAP!

"See, there's nothing actually on these cards"

He'd agreed to eat any questions he didn't like

If you opened a restaurant, would you serve Paul Chowdhry's Clam Chowder?
Yeah. I'd probably make up a dish called Clam Chowdhry!

- *Stand Up For The Week* is on Channel 4 at 11.05pm on Fridays.

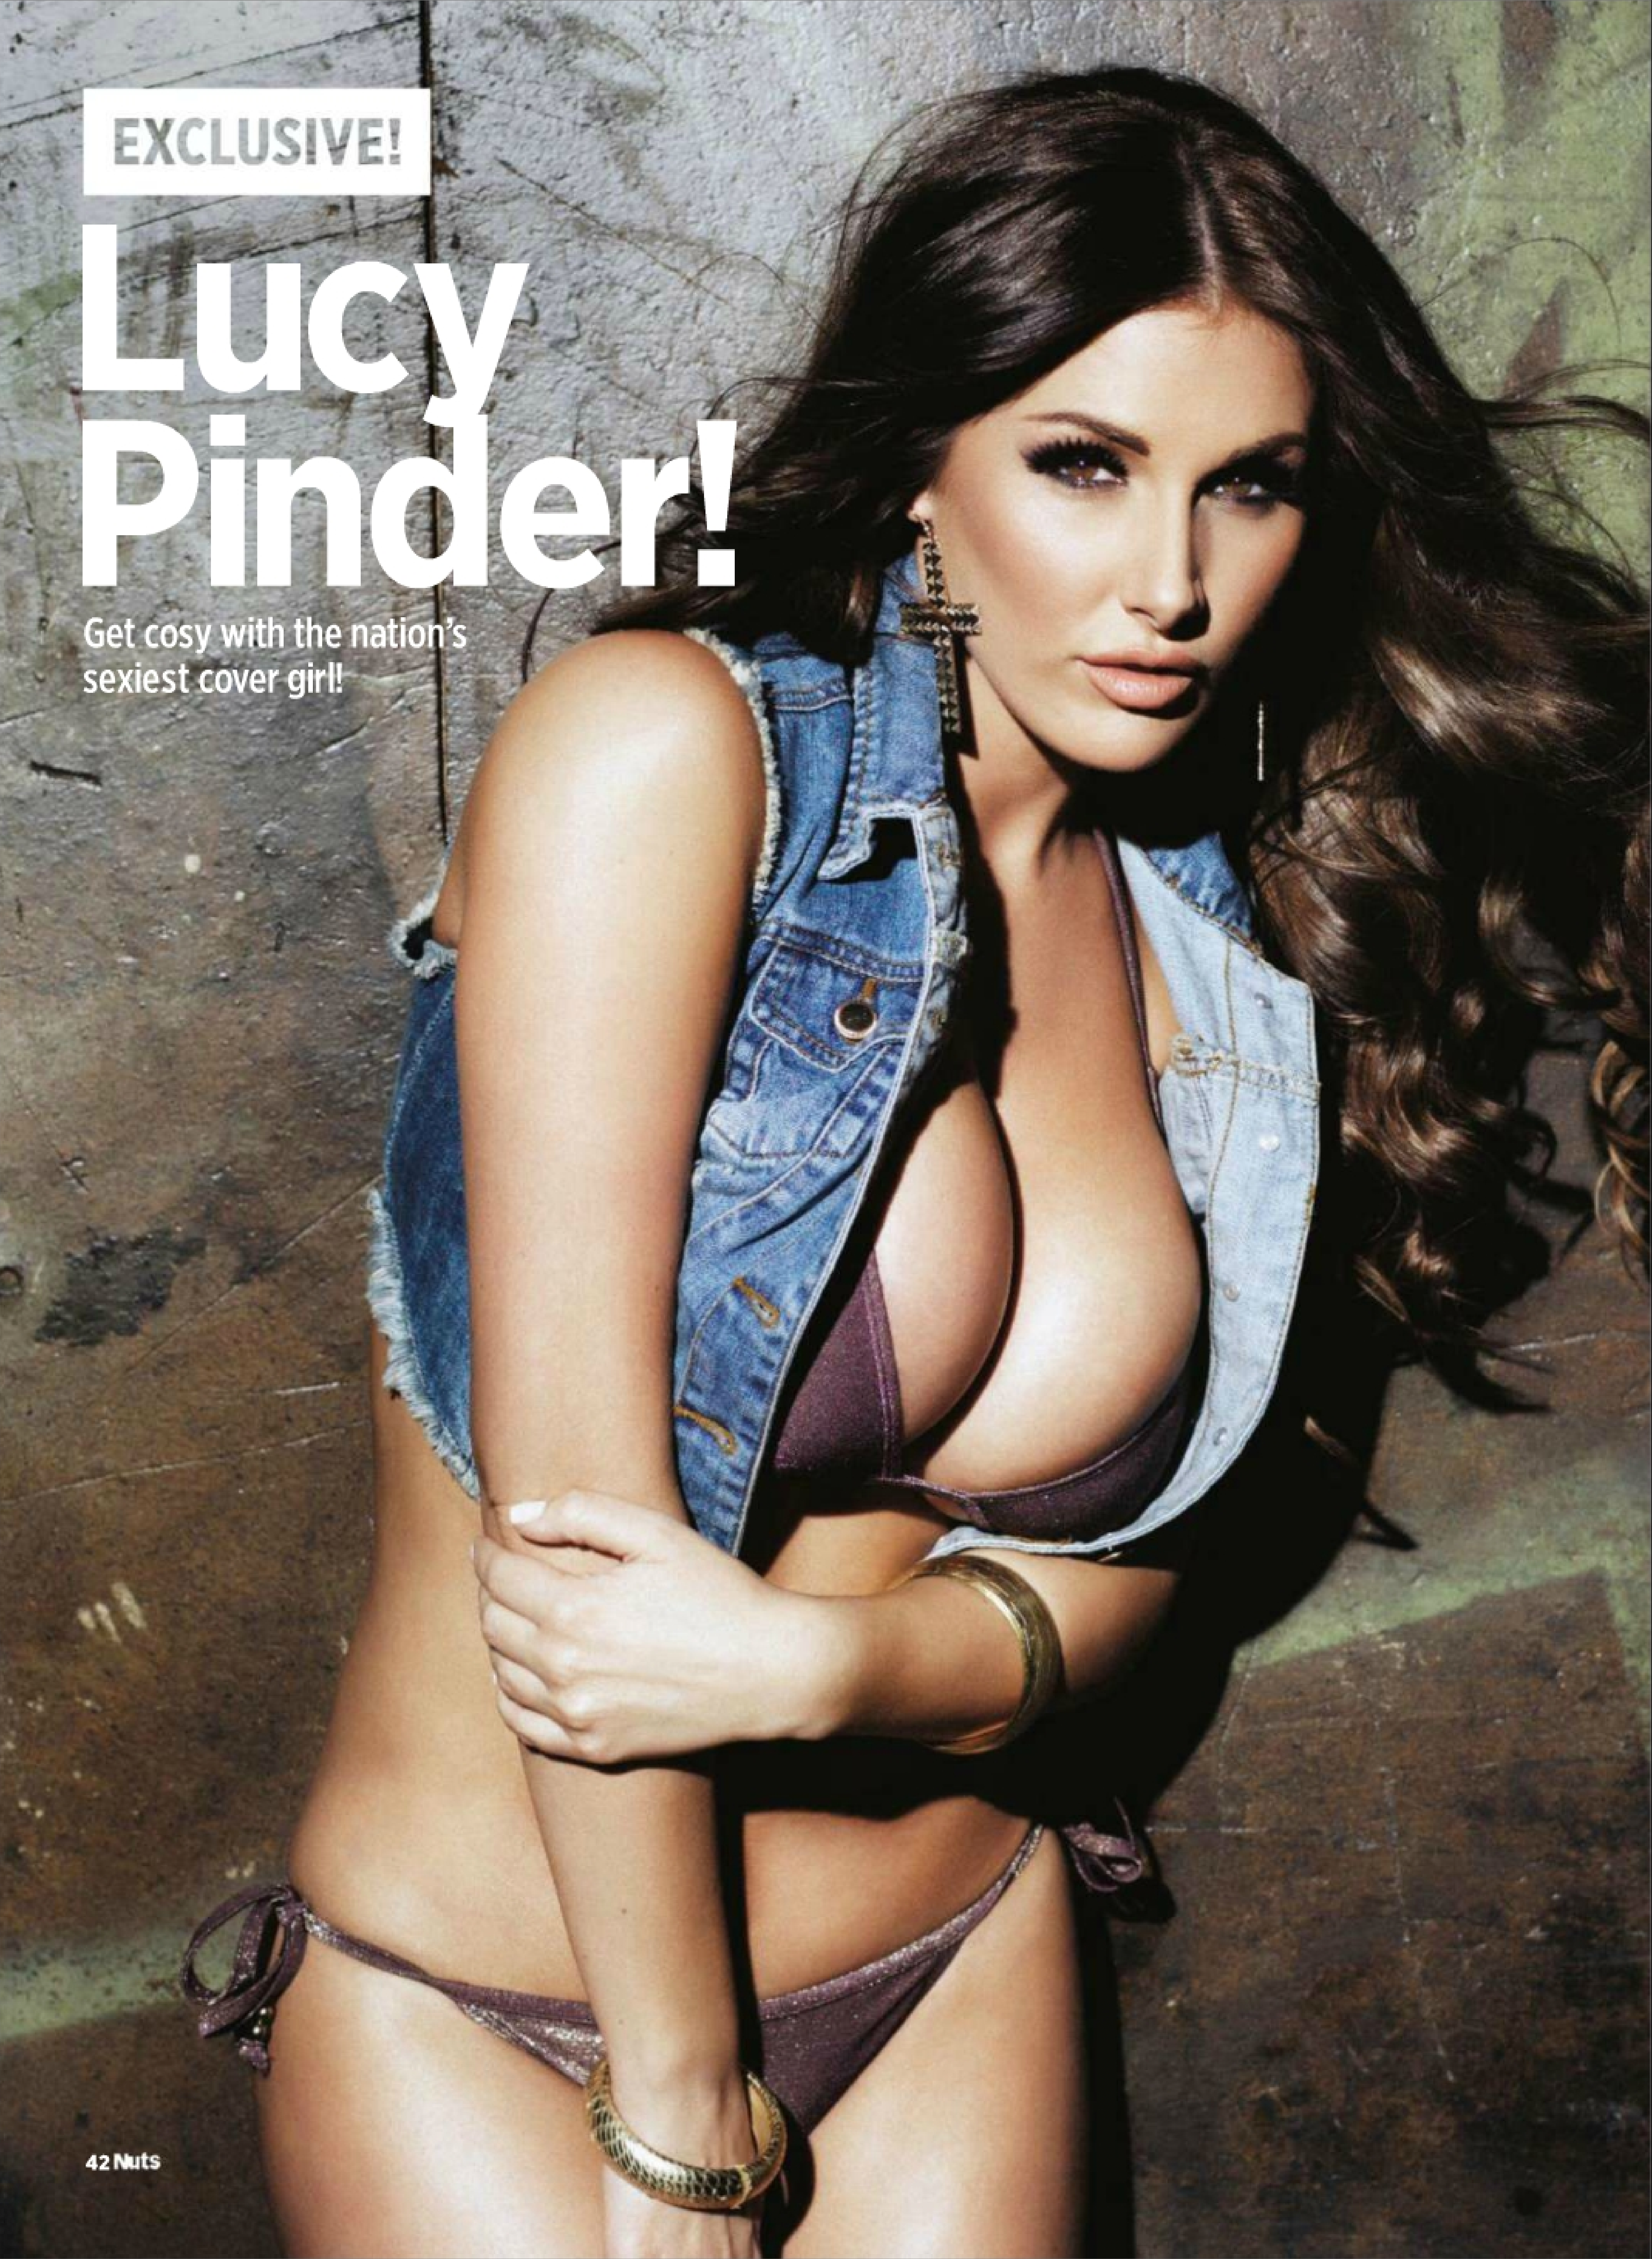
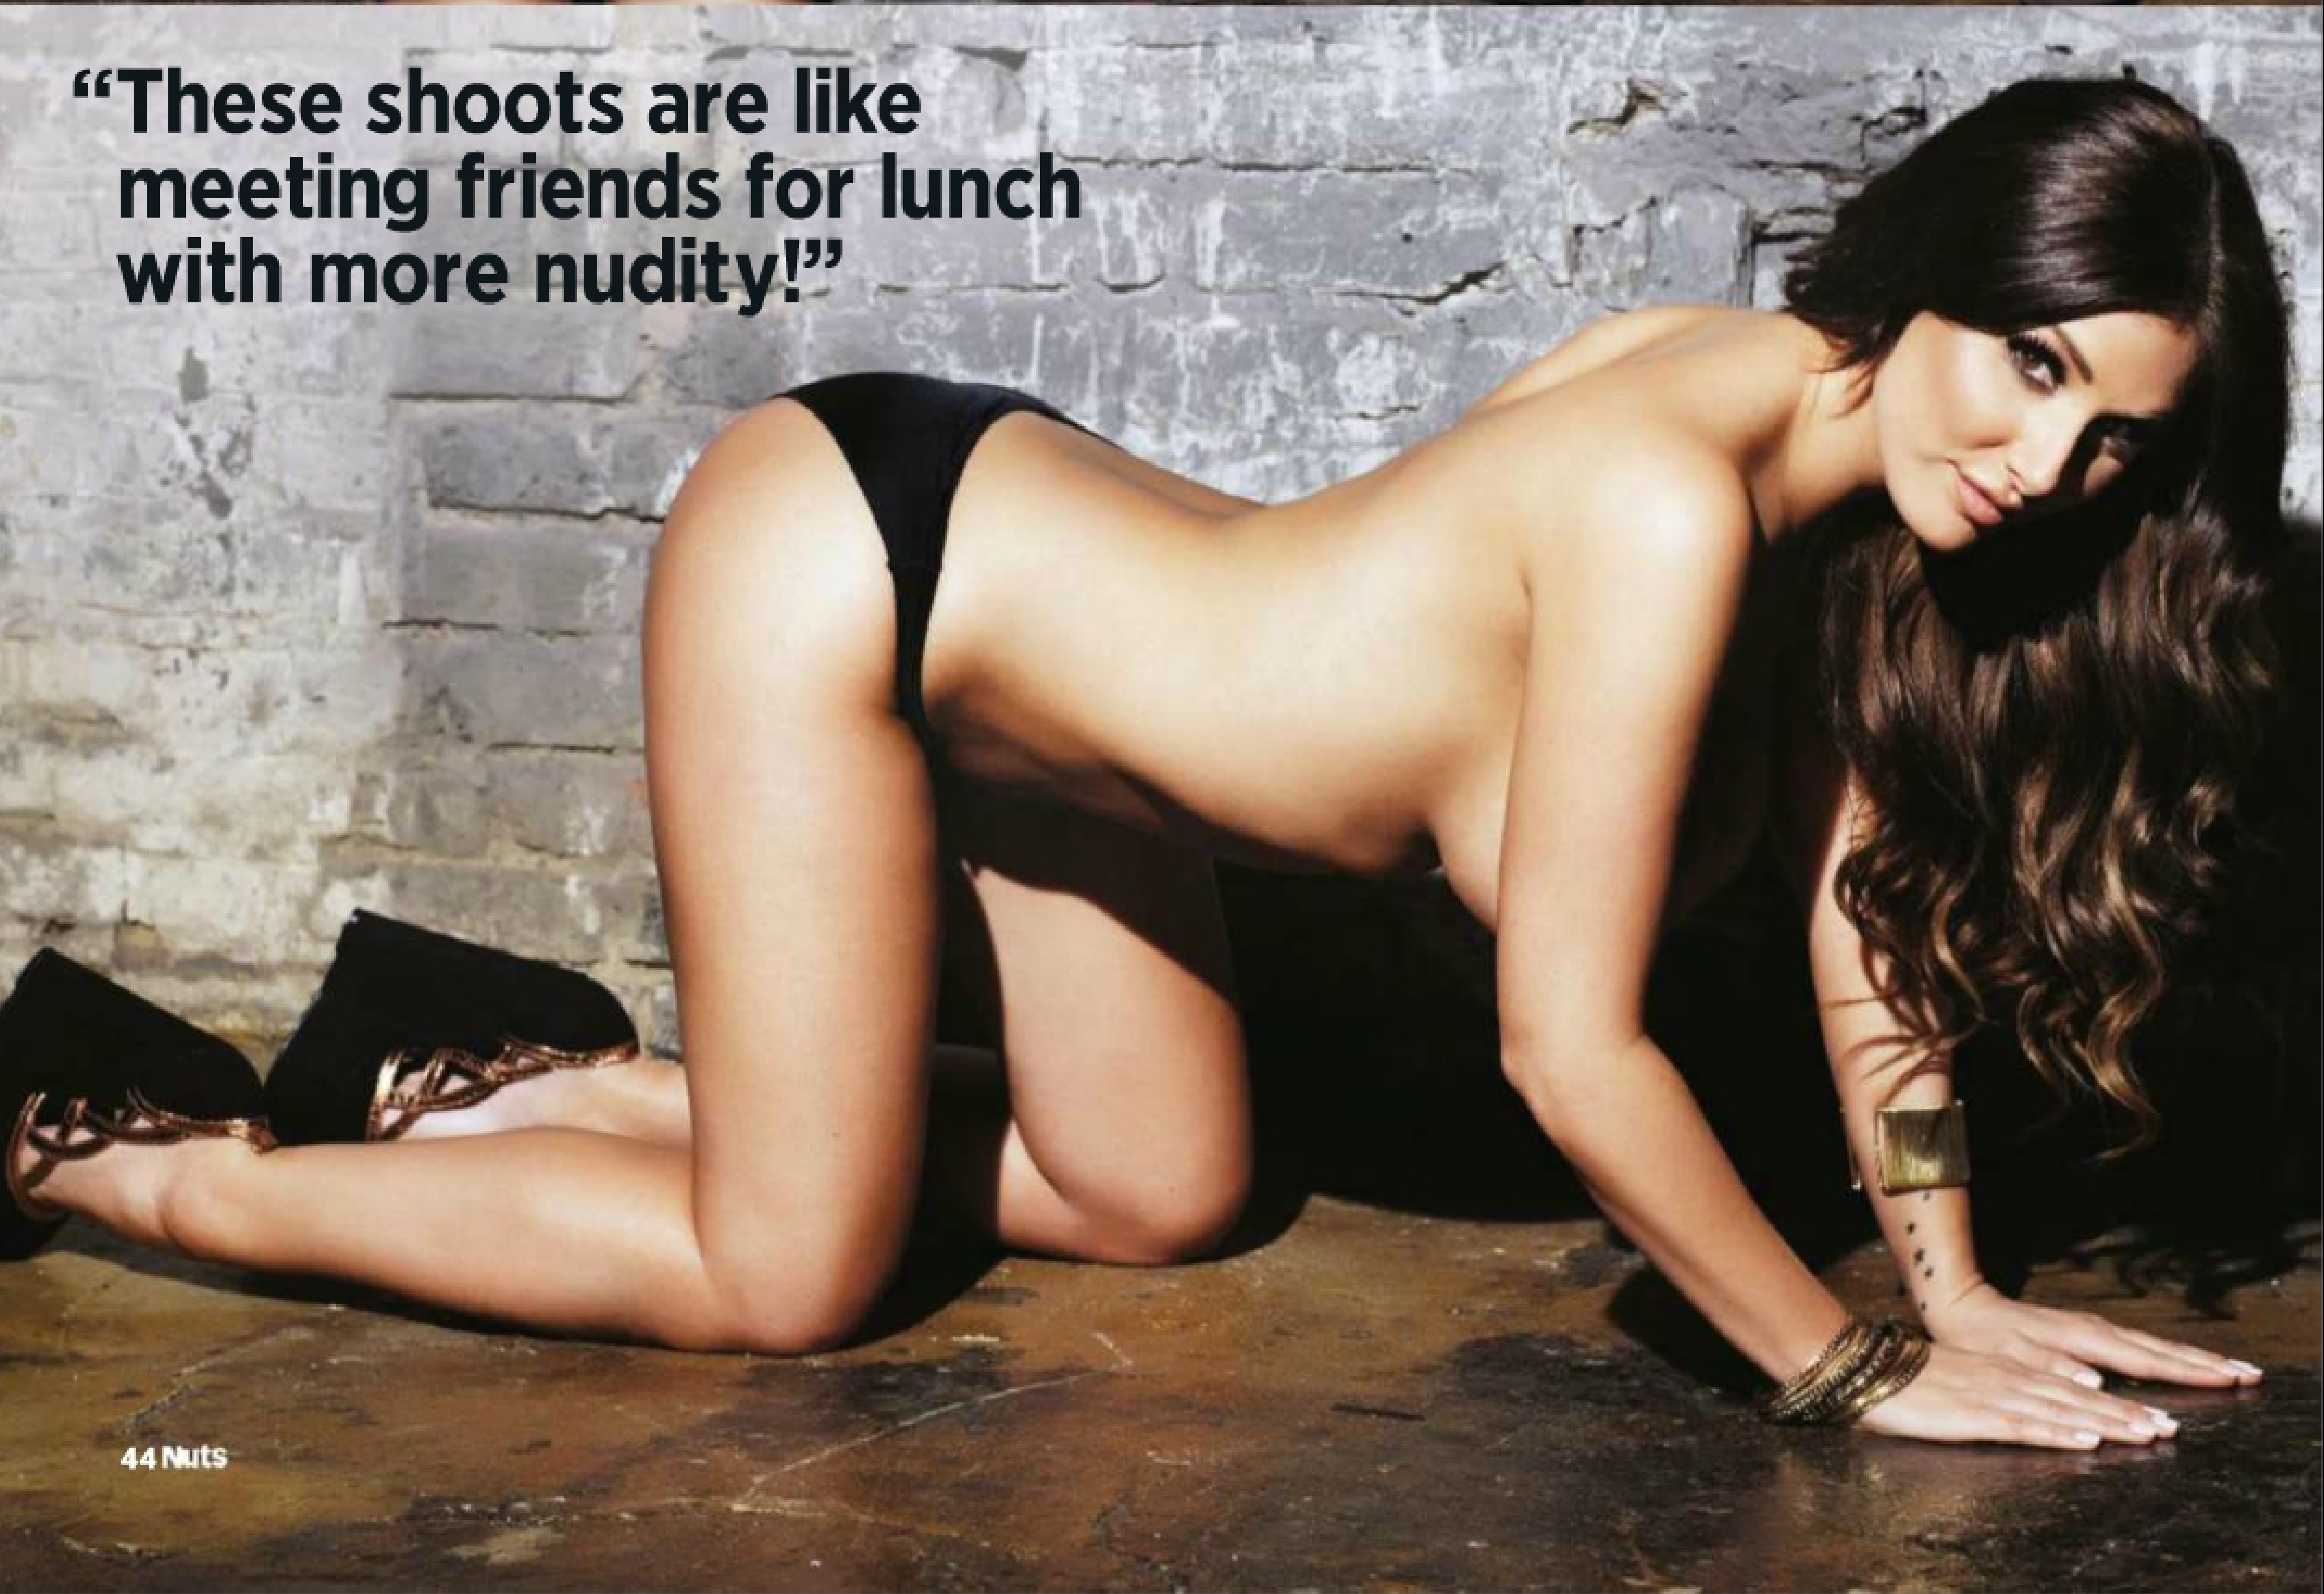
Lucy Pinder!

Get cosy with the nation's sexiest cover girl!





"These shoots are like meeting friends for lunch with more nudity!"

Hello Lucy! How do today's sexy goings-on compare with your usual shoots?
Oh, it was so cool! It was a little bit frisky. There were ropes and chains hanging around. It was very weird – it was a bit like a dungeon with nice French-looking furniture. Nothing like my own flat!

Your place is a bit more homely, we imagine...
Yeah, I love my home comforts! This place was a bit too cold – we had a three-bar heater but it set everyone's asthma off! So I had to work freezing my bits off – I really suffer for my art!

What's your favourite thing about doing a solo Pinder photo shoot?
I love doing these shoots – it's like meeting friends for lunch, though possibly with more nudity! Top tip for shooting Lucy Pinder – my pictures are always better before lunch – I usually need a nap after, cos I'm so greedy! All those sultry, sexy pictures you see of me – I'm actually half asleep!

Which is your favourite of your 60-odd *Nuts* covers?
I have no idea! I know this sounds weird but I like the ones which look least like me in real life. I love it when I see a pic of me and think, "Jesus, who's that woman?" My family and friends love all the pics that look like me – I just like it when my hair and make-up are looking nice!

Where's the strangest place you've seen a picture of yourself this year?
I'm so proud when I see a pic of myself at the back of a broadcast about the military – when they broadcast from a barracks in Afghanistan and I see myself. I went out to Camp Bastion once four years ago and it was so humbling and fascinating – I have so much respect for what they do. ▶

“I worry if I go out with the girls it’ll be like *The Hangover*!”

I understand how hard it must be – though I was ridiculously excited to sleep on a camp bed!

We'll remember that next time we book a hotel for you – "prefers camp beds!"
Yes, perfect! Just get me a ground sheet and a duvet and I'll be fine! Seriously, I have no idea how our soldiers live such a hard life then come home and adjust to being back here.

Amen to that! What are your home comforts, then?
Netflix! I love being able to watch TV, films and all the series I have missed out on. I always miss these amazing series everyone is banging on about – like *Breaking Bad* – and by the time I get told about them they're over. I totally missed *The Walking Dead* and *Sons Of Anarchy*, so they're next up.

Who's your sexiest girl of 2013?
All of them! All our girls are so hot. I love Danica as she's such a sexy blonde. I love Holly and Rosie because they're such a laugh. I'll be honest, all of the other girls I have met are really nice, very sexy and decent, likeable people.

Do you go out drinking together?
I'm such a homebody I don't see them that often – I know they're always on the town! I do worry it would be like the *Hangover* films – I'm not sure I could handle the pace!

Are you a big fan of the *Hangover* films, then?
Yes! They are such funny, relaxing films. I love Mr Chow – he does make me giggle! I also love the Alan character – Zach Galifianakis.

Who would you love to be stuck with on a random road trip?
Oh, Bradley Cooper I think! He'd be quite nice to look at – I wouldn't be too cross if he gave us wrong directions! Would I have Mr Chow tied up naked in the boot like in the film? Probably not – he'd be ►

"I love seeing a pic of me and thinking 'Who's that woman?'"

"There's a shot of me on an inflatable swan - awesome!"

funny enough to get a place on the back seat of my car!

I understand you've been on a few road trips...
Yes, I've been on three Modball rallies across the states and Europe. They last five days and are so much fun. Last time it was me and Rhian Sugden, fellow *Nuts* girl. Some poor guy drives us while we talk rubbish!

What's the craziest thing that has happened to you?
Well, on the one in Europe my friend nearly got flattened by a coach! We hadn't even started – we were loading up the Range Rover with all our stuff and this coach just steamed past and took the door off! My poor mate was stood the wrong side of the car and could've been squashed. So naturally, we did the whole tour with a door missing!

Wow, travelling in style! Did you not get stopped?
No, but it wasn't very safe. What made it funnier was a lot of the other contestants were driving in Lamborghinis and sportscars, while we were just limping along in our comfy Range Rover. I mean, it's nice driving a Lambo for half an hour, but not seven hours!

Tell us about your new calendar. What's your sexiest pic?
There's a pic where I'm on an inflatable swan – that's my favourite. I'm wearing a black swimsuit and it just looks awesome. If you were a crazy, rich person, this is the thing you'd use to lie on in the pool.

Finally, your beloved Southampton are doing rather well this season, aren't they?
Yes! My Dad is very pleased! He's convinced this is the year we finally crack Europe. Typically, we have always played well for one or two games and beaten some good teams, then it all falls apart. This time we are basically at Christmas and still third – please keep it up, boys! ✖

Alan Partridge: Alpha Papa

SKY BOX OFFICE/HD • From 6am

Make no mistake about it, the first feature-length Partridge is a riot from first to last, as Alan is caught up in a radio station siege led by a deranged former colleague (Colm Meaney). What starts out as a nightmare turns into a shot at career rebirth. A-ha!

True Blood

FOX/HD • 10pm

After going downhill in series five with a combination of implausible plot twists and weak execution, this series of the vampire drama has seen a return to form. It all wraps up here ahead of next year's final series. Bill discovers that salvation must come at a price, while Sookie evaluates her future with Warlow.

SKY ATLANTIC/HD • 10.30pm

If, like us, you always thought smart-arsed comics walked around spouting side-splitting one-liners off the cuff, you'll enjoy Sky's new show, which challenges our favourite funnymen to make up all-new routines on the spot. We can't wait to see 'em crack!

Man Of Steel

SKY BOX OFFICE/HD • From 6am

Few were disappointed by this handsome *Superman* reboot. Brit genetic lottery winner Henry Cavill is terrific as old pants-over-tights and a scenery-chewing Michael Shannon makes for a great General Zod. In between, Kevin Costner is the dad we all secretly want and Amy Adams' Lois Lane squints into the sky a lot.

Crystal Palace vs West Ham

BT SPORT 1/HD • 7pm

Already this feels like a bit of a relegation six-pointer. Both teams are pretty poor at home and have had trouble finding the net consistently. To be fair, it's got 0-0 written all over it. Time for one of ol' Sam Allardicci's better-than-Barcelona masterstrokes!

Swansea vs Newcastle

BT SPORT 1/HD • 7pm

It's been a fine old week for armchair members of the Toon Army – this is their side's second appearance on TV. However, this looks a tricky one as they travel to Swansea's football fortress (although frankly, it's been a bit less of one so far this season).

SKY1/HD • 8pm

A MASSIVE *Nuts* Games winner!

Michael Inman bags £126k on *Nuts* Games!

***NUTS* GAMES** has once again made one of our members' dreams come true! Michael Inman, a 33-year-old plasterer from Southsea, talks us through his jackpot win.

Hi Michael! First of all, congratulations on your win. You must be absolutely over the moon!
Thank you! I am. I'm still in shock.

Can you talk us through the win?
After a hell of a day at work I went home, put my feet up with a cuppa and gave *Nuts* Games a whirl. I was in the living room on the PC while my wife was watching TV and up it popped on my screen: "Congratulations! You've won the jackpot!" I couldn't believe it. It's amazing!

How did your wife react?
She didn't believe me at first but then she looked at the computer. She's so happy and so am I because now I can do no wrong!

And how did you and your wife celebrate?
We cracked open a big bottle of whisky!

Have you had any other wins on *Nuts* Games in the past?
Yeah, I've been pretty lucky since I started. I've only had a few slow weeks but that's expected.

Have you started spending those winnings yet?
I certainly have. I've treated myself to a new Mercedes C-Class sport, bought my wife a diamond ring, spoilt my little boy and paid off half of the mortgage. It looks like Florida's on the cards for next year as well!

Thanks a lot for the chat, Michael! Finally, what are your tips to help our *Nuts* Games players?
Don't go chasing it. Give yourself a limit and stick to that each time you play.

10 RUDE QUESTIONS!

And a real girl to answer them!

Cath

21 Bristol

1 Where's the strangest place you've had sex?
"We went walking one afternoon and thought it would be fun to try out some fun in a field with no one around! It was a real spur of the moment thing."

2 What's your trademark move in the bedroom?
"I always like to dress up and do some proper role play. I think the bedroom should be all about fun!"

3 What's your favourite sexy outfit?
"I have many sexy outfits for dressing up. I have a maid, a nurse's outfit, a policewoman... But I think my favourite is black lingerie, black heels and black suspenders. Nothing is sexier."

4 What's your favourite position?
"I enjoy being the boss and being on top, but I do allow my partner to have his turn and do me doggy style too, so we both get what we want!"

5 Is it better to give or to receive?
"I like to give. Nothing is more satisfying than seeing how happy your man is, and I get more attention in return!"

6 Have you ever made a sex tape?
"Of course – hasn't everyone? If you haven't, you need to try it. There's nothing more fun than acting in front of the camera and watching it back together, as it always leads to more filming afterwards."

7 What really turns you on?
"I love a confident man who knows what he wants, knows how to treat a woman and keeps her safe. That's a massive turn on!"

8 What's the rudest thing you've ever done?
"I always seem to walk in the bedroom when the football is on. I'm either naked or in a sexy little number. That often gets a bloke's attention, and quickly leads to the football going off and us getting it on!"

PHOTOS: TOM SERGEANT

9 Ever got it on with another girl?
"Now, that's a very cheeky question, and would definitely be telling too much!"

10 What one thing would you really like to try but haven't yet?
"I've always wanted to have sex on a deserted beach in the sun with no one around. I think we could get up to all sorts!"

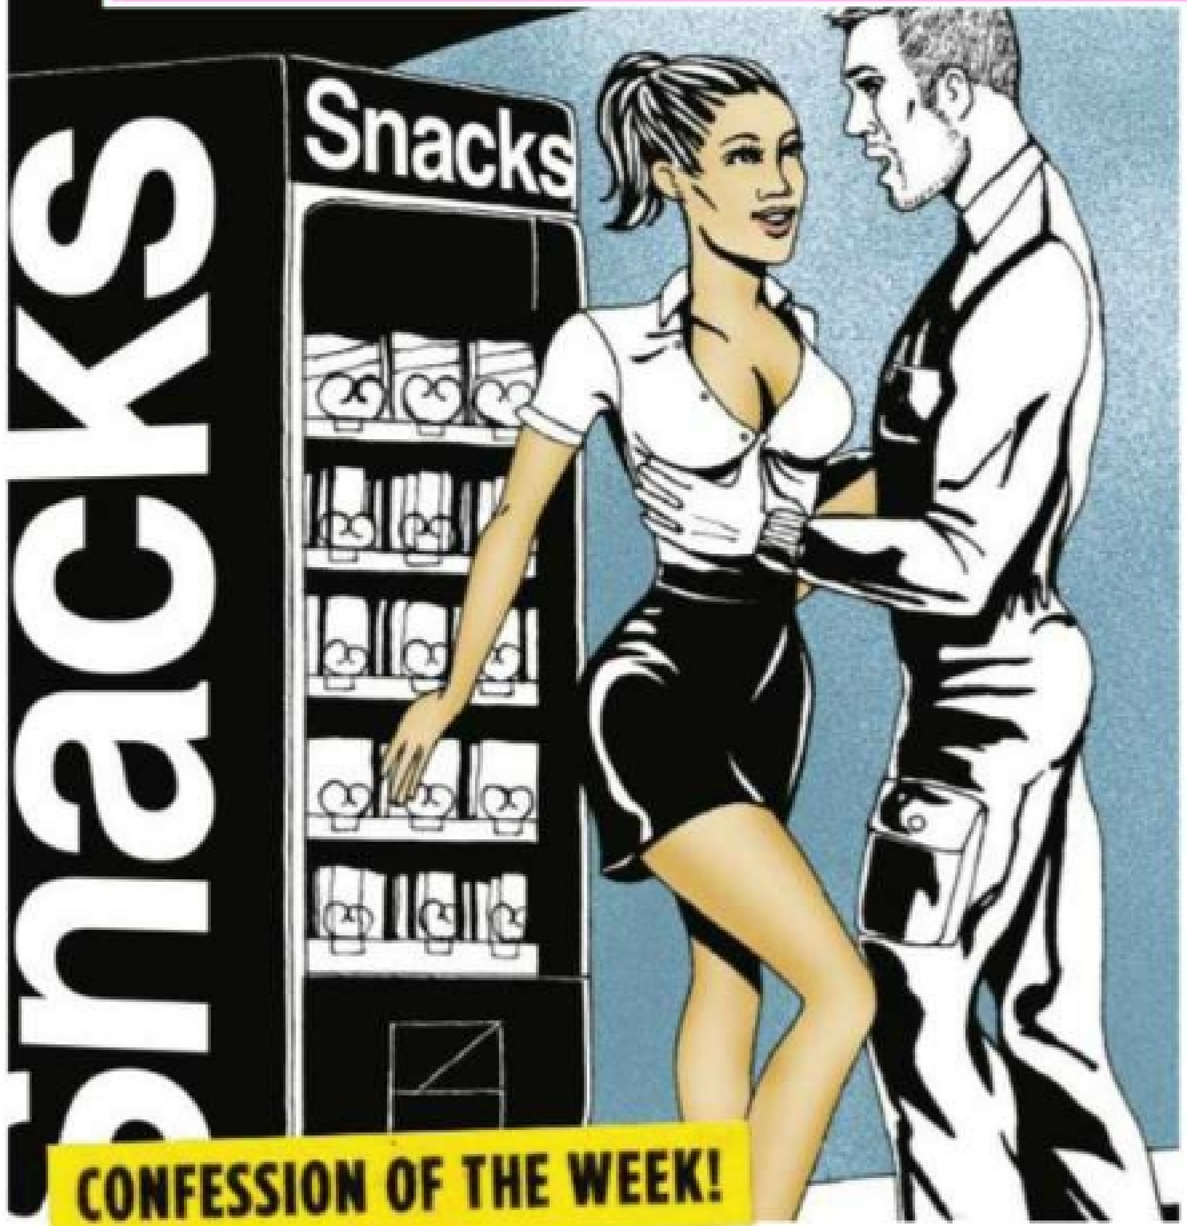
LADIES CONFESS!

TO OUR SECRETARY!

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

‘My cheeky snog break’

ONE DAY in the office last week, I felt the desire for chocolate, so I nipped up to visit the vending machine on the floor above, where I bumped into the maintenance man. As we collided, his hand landed on my breast and I gripped his arm to steady myself. He was sexy and smelt gorgeous. He still had a hand on my boob. I tingled all over, feeling hot and steamy. He broke a cheeky smile and pulled me close. We kissed – our tongues working overtime. It was the best thing I’ve ever got from a machine!

Kate South London

‘We romped in bookies’

I’M AN assistant manager of a bookmakers and not long ago we were hiring. I interviewed a man from Liverpool, and every time he spoke his sexy Scouse accent turned me on. I gave him the job, and after closing the shop one night, I decided to make my move. I walked over to the counter and started to undo a few of the buttons on my top. He quickly pulled me towards him and pushed his fingers inside my bra. I gasped in delight as he tweaked my nipples. We both tried to climb over the counter, but I only got halfway before he had my legs apart and my knickers to one side. We were in view of the window, but I didn’t care. His head vanished between my legs and he gave me the best oral ever! What are the odds?

Jo Bedfordshire

‘My quickie at the station’

MY MAN was away on business and I couldn’t wait till he got back. I arranged to pick him up at the station and put on my sexiest dress with no panties. As he arrived, we kissed and he whispered he’d love to do me there and then. Feeling horny, I pulled him into the station’s disabled toilets. I dropped to my knees and squeezed his bulging member, before taking him in my mouth. My tongue worked up and down his shaft as I massaged his balls. I stood up and bent over, revealing my bare bum. I tried to control my moans as he entered me and pounded away. It was over in a minute, but we agreed it was one of the most exciting ever!

‘Feasting on each other’

WHEN A sexy colleague invited me to a charity golf tournament, I jumped at the chance, especially since it meant staying over. He mentioned that the only room available was with a double bed. He didn’t mind, and neither did I, since I fancied him. Once we had unpacked, the conversation turned dirty. The next thing I knew, he grabbed me and we began kissing. I could feel his member bulging. I took it in my hands and began rubbing him. This got him really worked up and soon all our clothes were off and we were feasting on each other. He gave amazing oral sex so I had to return the favour. At the dinner later, there was so much sexual tension – until we nipped back to our room where we got dirty till dawn!

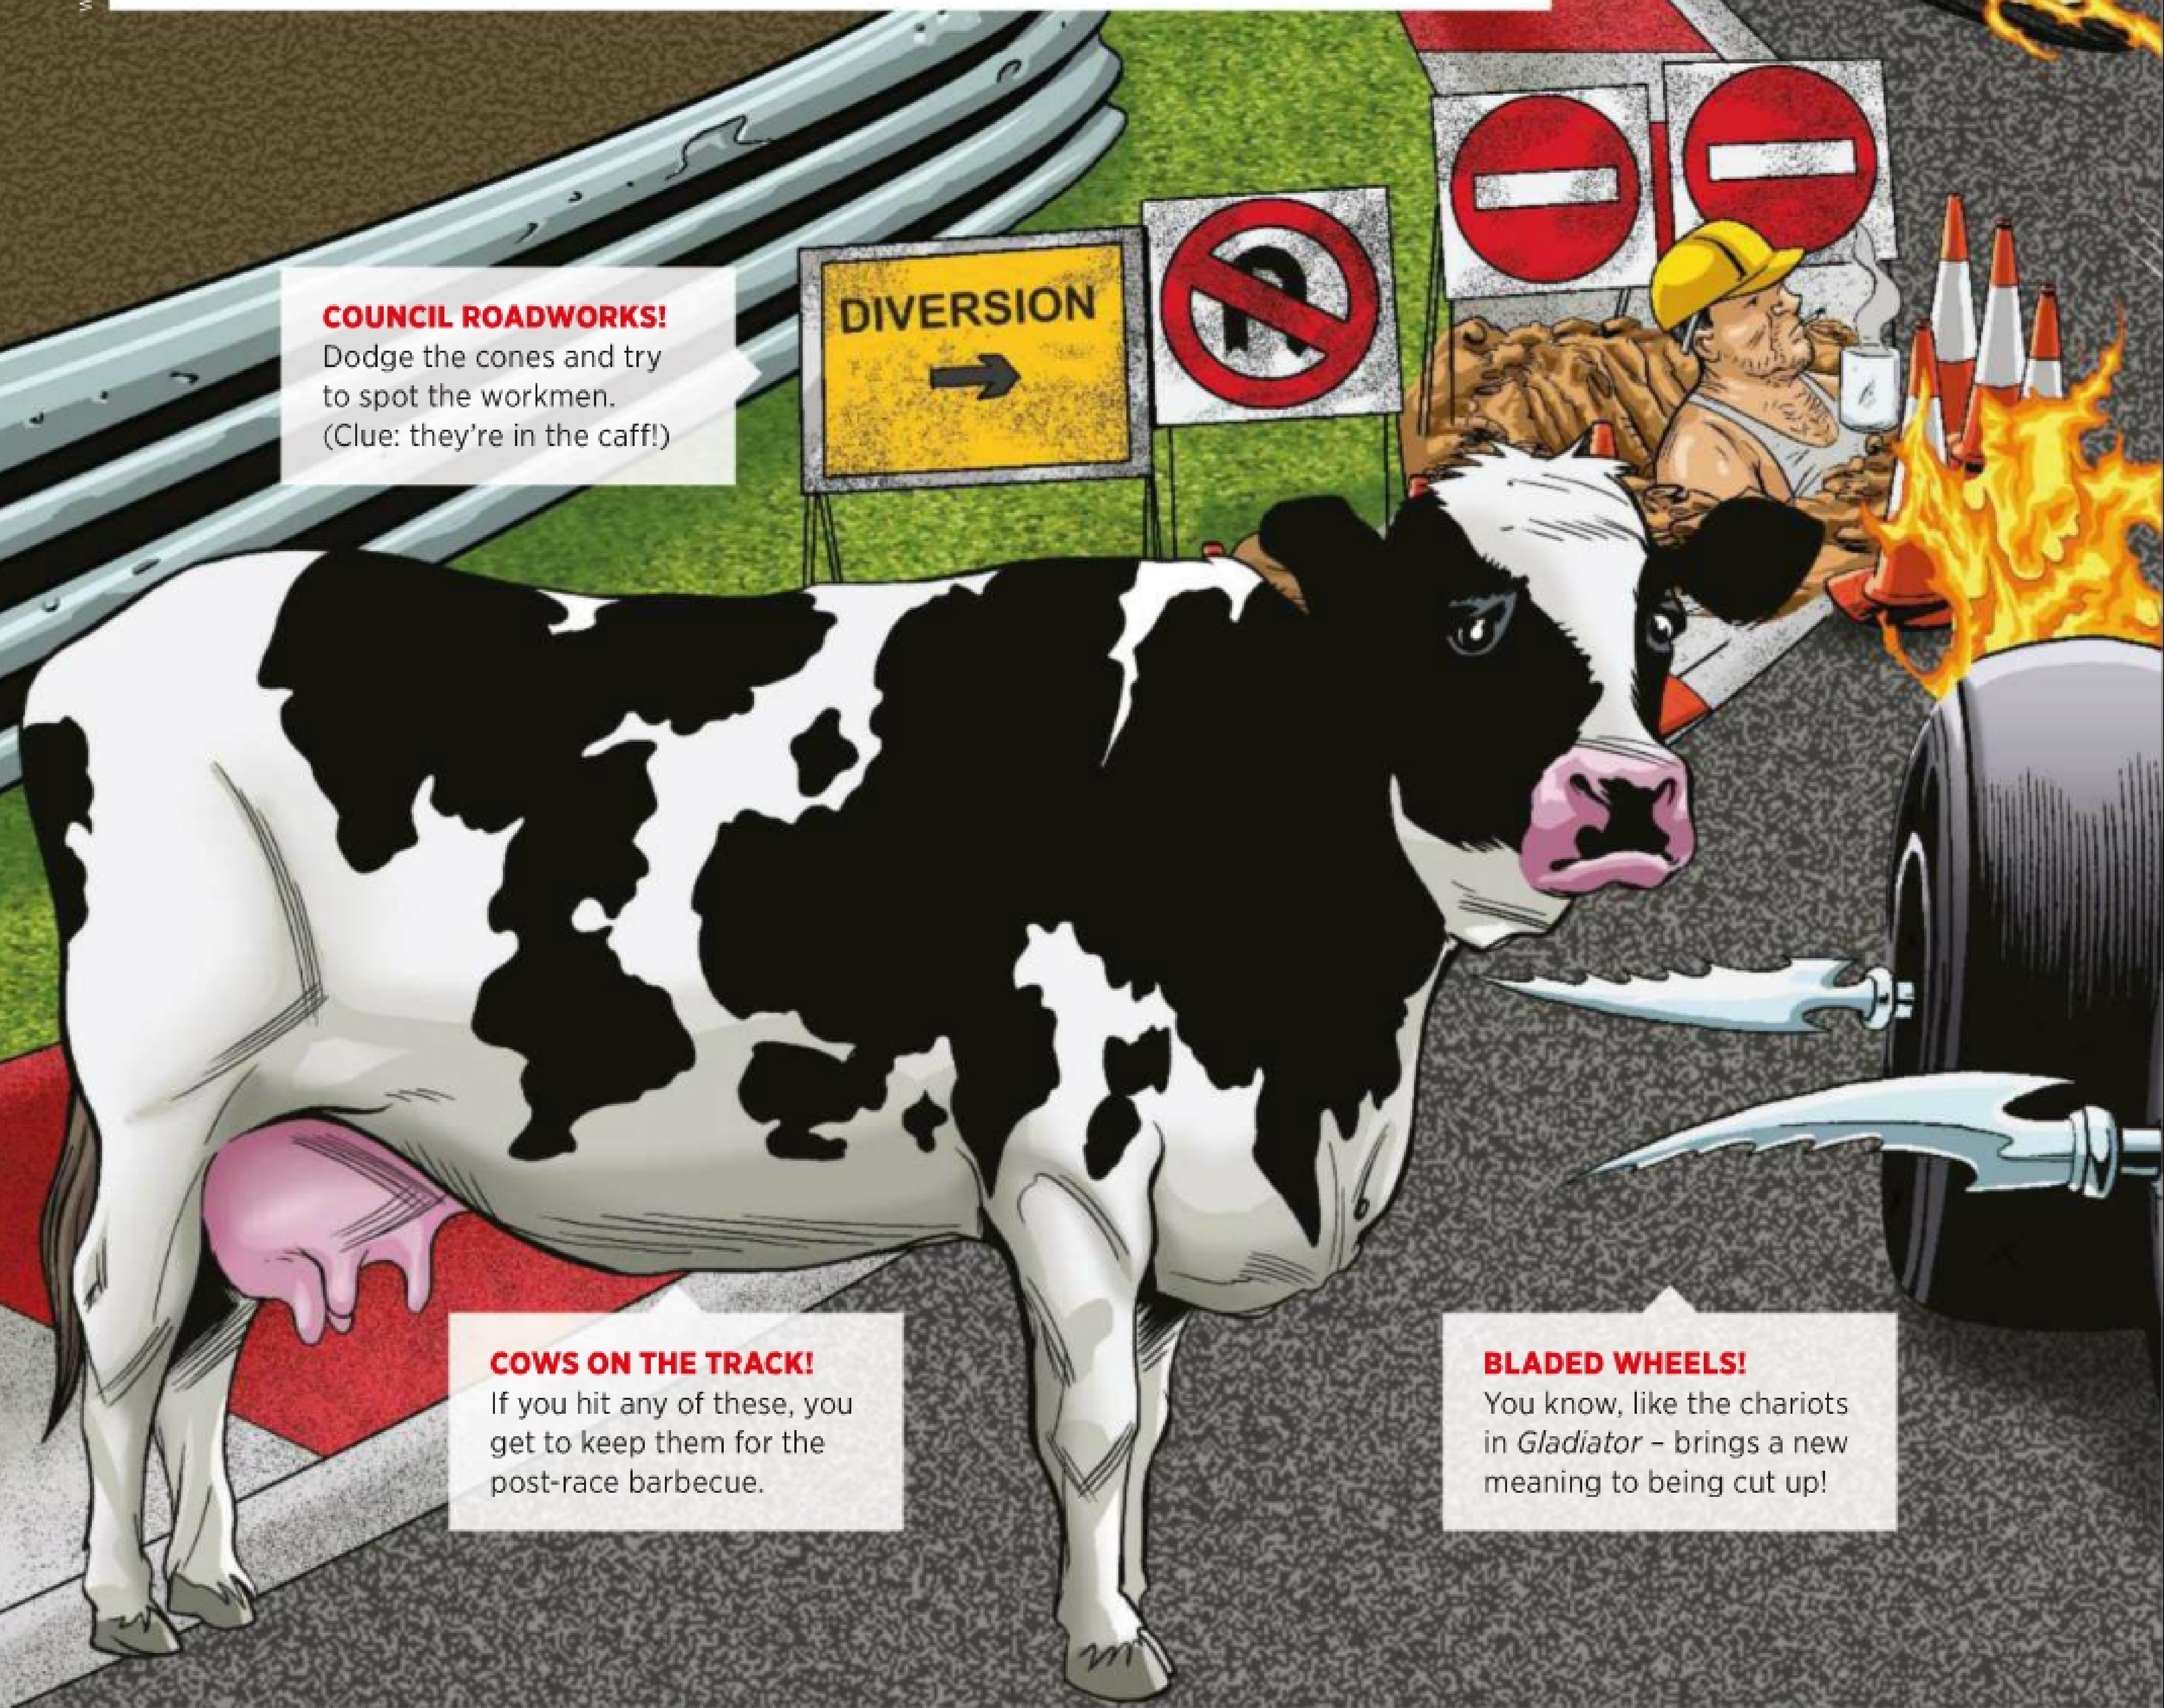
Nuts makes F1 interesting once again!

Because why would you want a one-sided season when you can have clown cars?

WORDS: PETE CASHMORE ILLUSTRATION: THE COMIC STRIPPER

THE 2013 F1 season's over and, let's face it, it was a bit of a dry affair, as super-driver Sebastian Vettel in his equally super car crushed all before him like a 200mph steamroller. F1 needs to be a lot more interesting next season, and we reckon we've come up with the on-track innovations that'll make this happen. Gentlemen, behold the F1 of 2014!

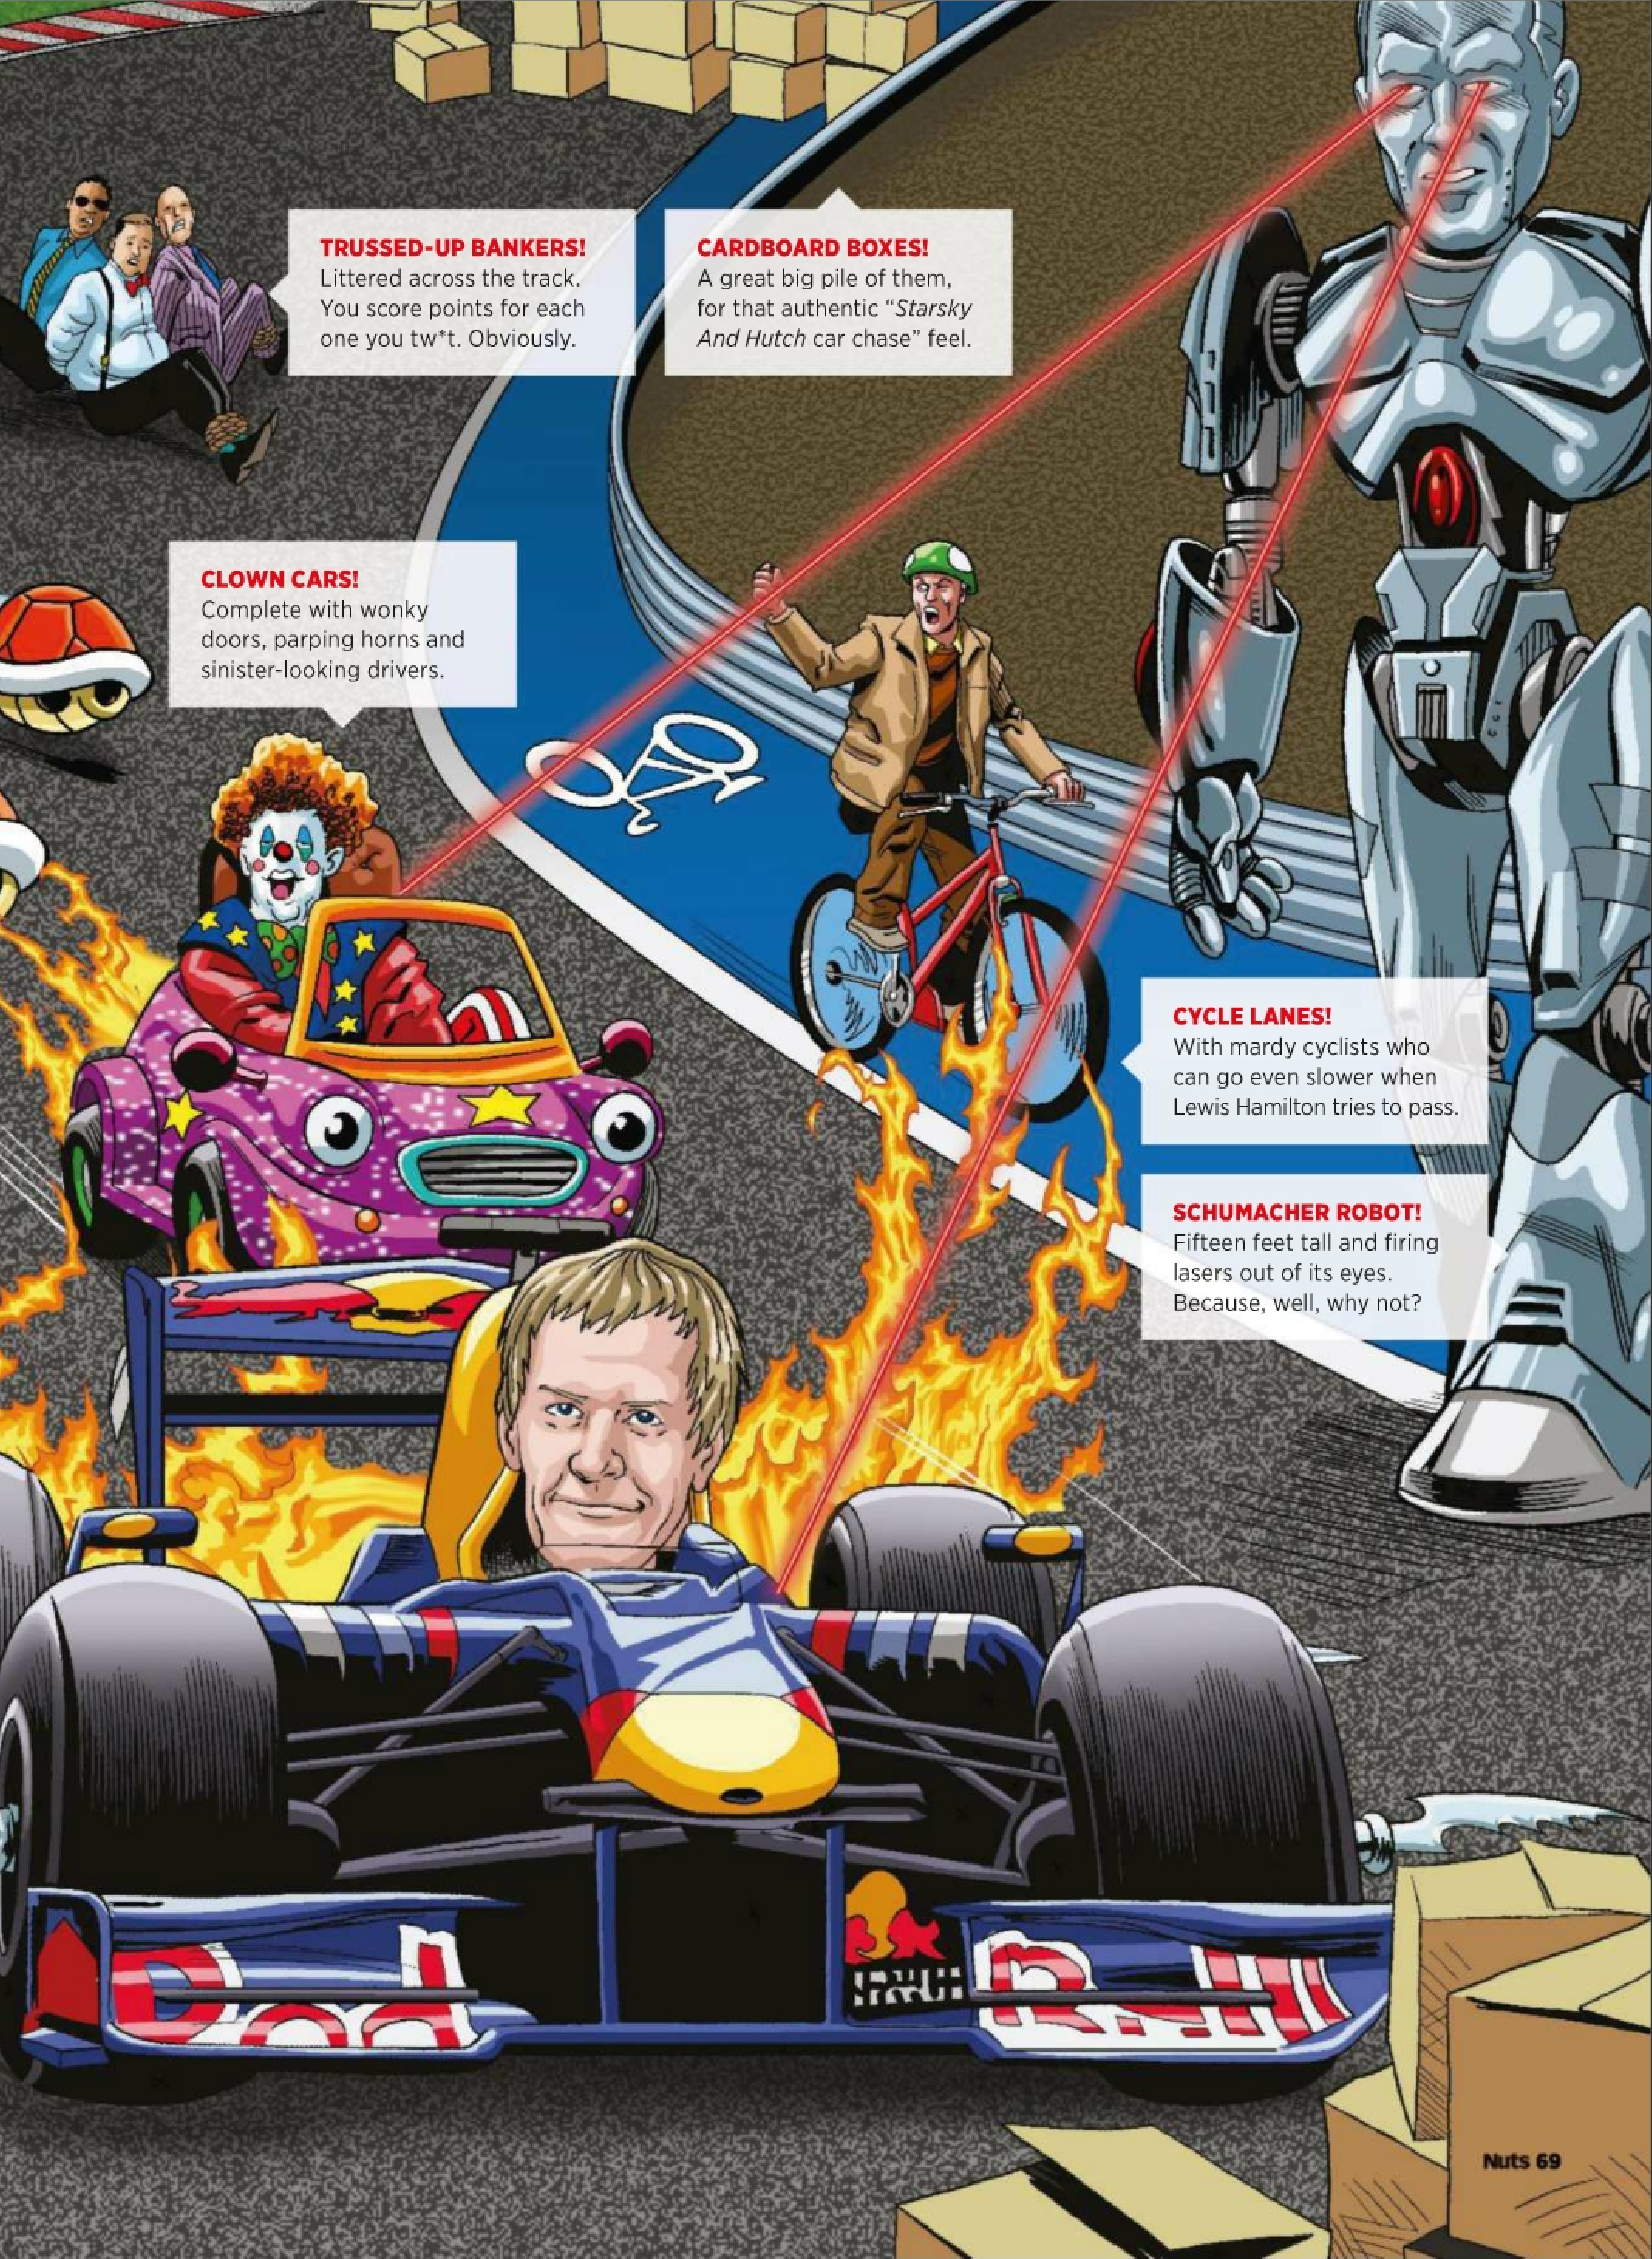


MARIO KART WEAPONS!
Because who doesn't want to see Vettel zapped by exploding turtle shells?

COUNCIL ROADWORKS!
Dodge the cones and try to spot the workmen. (Clue: they're in the caff!)

COWS ON THE TRACK!
If you hit any of these, you get to keep them for the post-race barbecue.

BLADED WHEELS!
You know, like the chariots in *Gladiator* – brings a new meaning to being cut up!



TRUSSED-UP BANKERS!
Littered across the track. You score points for each one you tw*t. Obviously.

CARDBOARD BOXES!
A great big pile of them, for that authentic "*Starsky And Hutch* car chase" feel.

CLOWN CARS!
Complete with wonky doors, parping horns and sinister-looking drivers.

CYCLE LANES!
With mardy cyclists who can go even slower when Lewis Hamilton tries to pass.

SCHUMACHER ROBOT!
Fifteen feet tall and firing lasers out of its eyes. Because, well, why not?

Best non-World Cup XI ever!

Eleven superstars who won't get to boot some balls at Brazil 2014!

AS ZLATAN Ibrahimovic will tell you, not everyone can make it to the World Cup. In fact, we think his exact words, after Sweden's play-off defeat to Portugal, were, "A World Cup without me is something I won't be following." But he's not alone when it comes to world-class players who'll be watching the action (or not) on the telly – which international team would fancy their chances against this XI of non-attendees? We asked former Premier League boss Neil Warnock to tell us how he thinks they might do...

PHOTOS: ACTION IMAGES, PA PHOTOS, GETTY IMAGES, SHUTTERSTOCK

PETR CECH
CHELSEA CZECH REPUBLIC
Neil Warnock: "You won't see a better goalkeeper at the World Cup – he's as good as any."

BRANISLAV IVANOVIC
CHELSEA SERBIA
NW: "He's a good shout. You want someone steady on the flanks and the Chelsea man gives you that."

VLAD CHIRICHES
SPURS ROMANIA
NW: "I'm not too sure about this lad as I've not seen him play much. I also can't pronounce his name."

MARTIN SKRTEL
LIVERPOOL SLOVAKIA
NW: "Again, someone who more than deserves to be out there. Also happens to be his nation's captain."

ALEXSANDR KOLAROV
MAN CITY SERBIA
NW: "Kolarov is having a great season at City. He's the strongest point in the back four."

CHRISTIAN ERIKSEN
SPURS DENMARK
NW: "I might consider putting Aaron Ramsey here but even so, a great player to have in reserve."

TOMAS ROSICKY
ARSENAL CZECH REPUBLIC
NW: "I like him in this position. He's having a great season at Arsenal and showing his experience."

STEVAN JOVETIC
MAN CITY MONTENEGRO
NW: "You could also play Ramsey here. And it would make sense to play him alongside Rosicky, too."

GARETH BALE
REAL MADRID WALES
NW: "What can you say about him? A great player wide left who can come inside if you need a goal."

ZLATAN IBRAHIMOVIC
PSG SWEDEN
NW: "Bloody hell, what a game he had against Portugal! For him not to be going is, as he says, criminal."

ROBERT LEWANDOWSKI
B. DORTMUND POLAND
NW: "As good as absolutely anyone in the world, the other half of an incredible forward two!"

TOTAL VALUE: £197.6M!

Warnock's verdict!

The No-Show XI summed up!

"Bloody hell! There's quality all through that team. Let me have a go with them! Like I said, I would bring in Aaron Ramsey, but even so, that XI there will get you to the quarter-finals at least!"

"Not the face, Dereck! Anything but my beautiful face!"

EXCLUSIVE!

Chisora: 'Your questions are p*ssing me off now!'

The EBU heavyweight champ gets a bit tetchy ahead of his next fight!

Hi Dereck! Your opponent has just been changed for your next fight, so what do you know about Ondrej Pala?
I don't even know the new fella's name but I'll Google him before the fight.

You don't sound very well prepared for it!
It doesn't matter who the opponent is. The guy is the same height as my sparring partners, apparently, so it won't be a problem getting him into range.

Apparently, Pala has lost three times already...
It doesn't matter because he's coming to fight. He's got nothing to lose.

It must work in your favour that he's taken it at short notice.
Often, fighters do better when they've not been training for weeks. Sometimes you fight better if you've not had to think about it. I know I've got a difficult fight on my hands.

As a heavyweight fighter, do you worry about what you eat?
It depends on your blood. You can eat what you want. If you want a McDonald's you can have it, but it won't do you any good. You've got to be sensible.

Are you sensible?
I watch what I eat. I'll have this fight, take a few weeks off and be back in shape again.

Are you fighting David Price?
If the public want it, we can give it to them. If they don't, we won't and we'll move on.

Did you see his last fight where he pretty much gave up?
He might as well have not taken the fight because there wasn't much point in him being there.

It looks like David Haye's retired. Do you think he's swerved the Tyson Fury fight?
No, I don't think so. He had a shoulder injury. I think he's got a couple more fights in him.

So you think the Fury fight will still happen?
Yeah.

Who do you think will win?
Dunno.

Are you friends with David Haye nowadays?
I talk to all the fighters but I wouldn't say we're friends. There's no bad blood there.

Is a rematch with Fury on the cards? He beat you last time...
If the public wants it, yeah. Your questions are actually starting to p*ss me off now so can we wrap this up now?

In a minute. What do you do away from boxing?
I like to listen to records. I like to collect them. I like James Brown and Marvin Gaye but it has to be on vinyl.

You're a Man United fan. How do you see the season going?
United are the only team that can come from behind and win the league. We just want to win it so Arsenal fans can stop cheering.

David Haye did *I'm A Celebrity...* Would you do it?
No.

Why not?
Why would I want to go and sit in a jungle?

To raise your profile and get paid a load of money?
I ain't eating balls for £20,000. Anyway, if I don't speak to you before, Merry Christmas and I'll see you around.

Thanks, Dereck.
[Dereck has hung up]

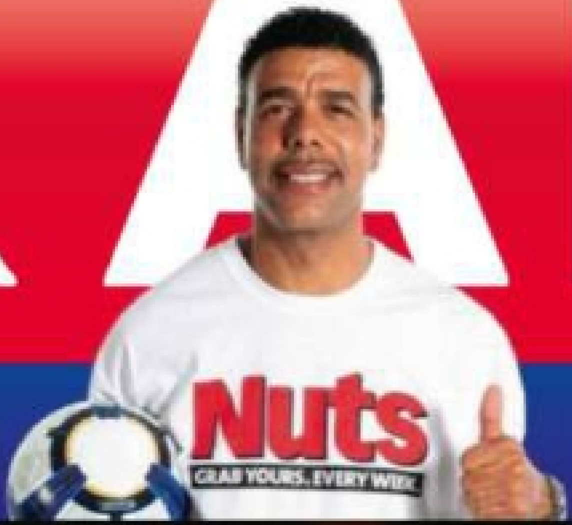
INTERVIEW: NICK WATKINS PHOTOS: GETTY IMAGES

KAMMY!



He's the voice of the fans – and he's only in *Nuts*!

"Is it a banana? No? OK, I give up"

So many deficiencies, so many questions!

England's friendlies provided Woy with nothing but headaches!

I ALWAYS try to look on the positive side, so I will say this after England's games against Chile and Germany: at least the nation's levels of expectation will have been lowered to a sensible level.

On the pitch, England were disappointing to say the least. There are just so many deficiencies. They don't look great at the back and need to figure out what their settled back four is. In midfield, apart from Gerrard, there's not a lot going on. We need someone who can open teams up. And up front, all the fans can do is keep hoping that Rooney is finally going to do what most would argue he's never done, and do it in an England shirt – we hardly ever see the real Wayne!

England need to learn how to play under pressure – it was probably a little bit hard on them as they were playing a second-string German side, and that creates its own odd kind of demand. People aren't writing them off, but the general attitude is that they're better than this.

So why can't they translate that to the pitch?

"You're right Roy, Carex *is* great smelling!"

Mart and Keano are having fun?

PEOPLE HAVE been somewhat taken aback by Martin O'Neill and Roy Keane laughing and joking on the Republic of Ireland bench. But allow me to let you into a secret: Roy Keane is a very funny man, and a very nice one when he's away from football. I've seen him turn down autograph requests and stuff like that when he's in "the zone" but he's similar to Brian Clough in a lot of ways – and, of course, Brian is the main influence on Martin O'Neill.

Roy had a 40-minute press conference after the Republic vs Latvia game – believe you me, that's not normal for an assistant manager! I'm sure that the next one will be a little bit more subdued.

And he never saw his wallet again

Les Bleus had a huge let-off!

WHAT A great escape France had! Two goals from a centre-back, the opposition had a player sent off, but above all, a second goal that should never have stood! I looked at that goal and just couldn't believe that the assistant referee didn't flag for it. That single incident was the game changer as far as both teams were concerned – at that level, so blatant an offside going unpunished just beggars belief.

Then Ukraine went and had their man sent off and there was really no way back for them. It's another huge let-off for France, but they don't care! They're in Brazil!

"Ooh, your glands are a bit swollen. Best pop some ice on"

Ibrahimovic 2, Ronaldo 3!

TWO OF the world's greats went head to head in the play-offs and it just underlined what I've been saying all along: if Cristiano Ronaldo doesn't win the Ballon d'Or this year after his amazing performances, then he never will. I know the voting has already finished but nobody can argue if he wins this year – Messi certainly can't.

Even Zlatan Ibrahimovic was gracious enough to say something along the lines of, "I don't need to say anything about Ronaldo, just watch what he did to us!" I'm firmly in the camp that Messi is the greatest footballer I've ever seen, but Ronaldo, right at this moment, is awesome, and single-handedly – with a little help from his feet and head – carried Portugal into the World Cup finals.

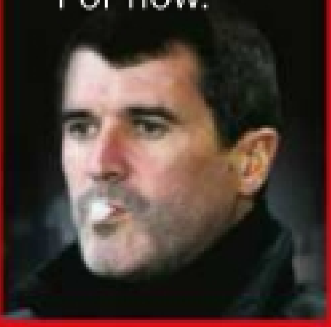
"Quote me on that!"

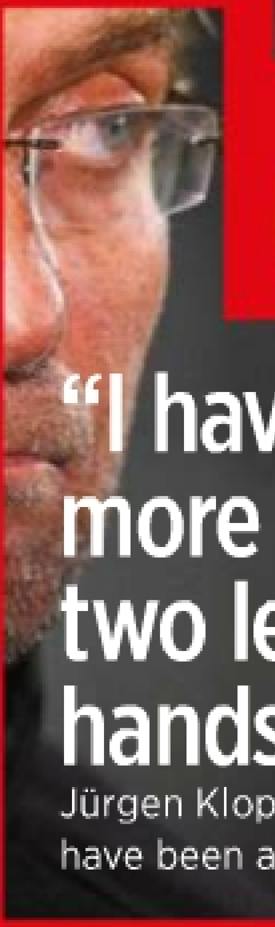
This week's biggest match debaters!

"Once in every thousand decisions, a ref will change his mind. It happens once in a million"
Paul Merson can't put a finger on it.

"Now Wayne Rooney has hair, he's beautiful"
Ronaldo auditions for the next Specsavers ad.

"There are no potholes in Ireland's ground. We have bibs and balls – things are on the up"
Roy Keane is all smiles. For now.





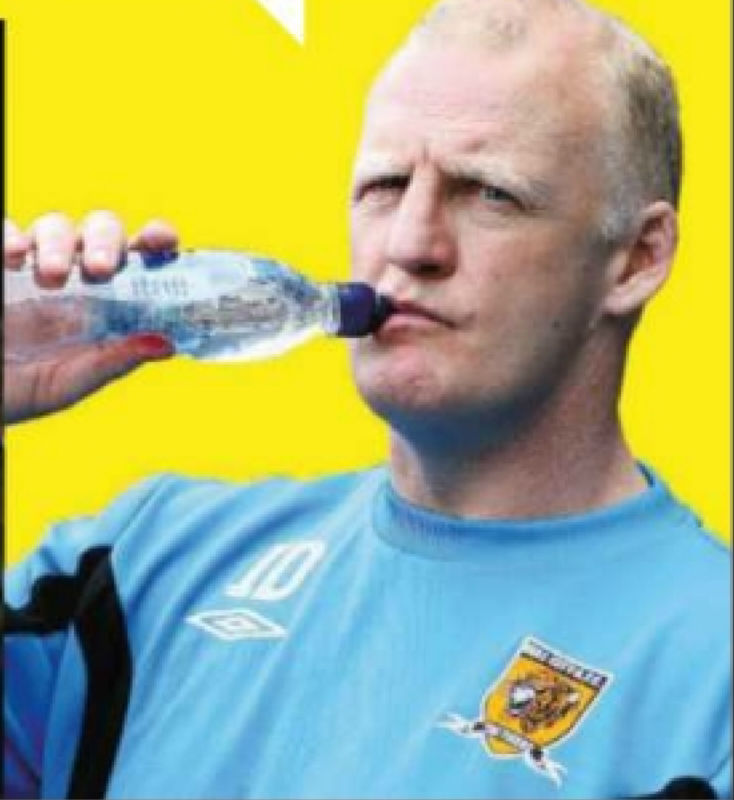
"I have more than two left hands"
Jürgen Klopp should have been a keeper.

"I have a cold but I'm at the centre for sexual health diseases"
Karren has more than a runny nose.

"I'm absolutely not Roy Keane's father"
Martin O'Neill puts a stop to those rumours.

OO-ER SOUNDS A BIT RUDE CORNER!

"John Terry fills holes"
Iain Dowie confirms what everyone suspected.



"I was waiting for the two players to get it on at a free kick"
Alan McInally wants to see some action.
